As you are already aware Mini Project 1 Exhibition is scheduled on 26th May 2023 (Friday) 9:00 am onwards. This evaluation by experts will also be considered as your ESE for Mini Project 1.

The rubric for the evaluation of ESE is as follows.

- 1) Motivation/ Problem Statement/ Objectives/ Idea/ Originality/ Novelty/ Feasibility (10M)
- 2) Demonstration of the work undertaken (20M)
- 3) Presentation Organization and Structure/ Presentation Skills (5M)
- 4) Knowledge/Question-Answer (5M)
- 5) Project Report and poster (10M)

Total 50 Marks

Kindly note that complete the phase 2 evaluation of Mini Project 1 also on or before 26th May 2023. Contact your mentor for the same. The rubric for phase 2 is as follows.

- 1) Demonstration of the work undertaken, Collection and utilization of Resources (20M)
- 2) Project Outcomes with respect to Scope defined (10M)
- 3) Regular meeting with mentor (Attendance) and Ethics (10M)
- 4) Teamwork (5M)
- 5) Project Report with Plagiarism check (10M)
- 6) Poster (5M)

Total 60 Marks

Total ISE marks 100 (phase1: 40 marks and phase 2: 60 marks)

Note for Mini Project 1 as per scheme 50% weightage is for ISE and 50% weightage is for ESE.

Refer attached sample formats for preparing report and poster.

Follow the instructions given below for submitting the documents regarding Mini Project 1.

- 1) Create a folder with your group no along with the name of the project eg. A1_Ambulance Tracking System
- 2) The folder must contain report, poster and video regarding demonstration of the project. Before uploading the report and poster, get it approved by the mentor.

Dear Students,

As per instruction given from Dean Academics, It is mandatory that all LAB ESEs and Project ESEs are completed before the semester ends.

For Major Projects, Phase IV is scheduled for the last week of April 2023, while Project ESE exams will take place in the first week of May 2023, in offline mode. Students who are currently on an internship must obtain permission from their respective companies to be available for both evaluations.

Contact Your Guide and Co-Guide Regarding the Same.

Similarly, those working on new projects this semester must undertake Phase II during the last week of April 2023, followed by Project ESE exams in the first week of May 2023, in offline mode.

Please note that **publications/patents** are compulsory for Major Projects. Furthermore, for BE Projects - Sem VIII, the Phase IV/Phase II evaluations will be conducted by the guide along with the Co-guide, while the ESE exams will be conducted by the guide with the External examiner.

Finally, I would like to remind you that Project Exhibition and Technical paper presentation may also occur in the first week of May.

Thank you for your attention to these matters.

Regards,

N A Bhagat

Dear Students,

Hope all of you are doing well and you must have decided the final title for your mini project with the discussion with your mentor and internal expert.

As you are going to attend theory and laboratory sessions in person from 28th February 2022, The Phase 1 of Mini Project 1 will be conducted from 28th February 2022 to 4th March 2022 instead of from 14th Feb 2022 to 18th Feb 2022. You are required to present your work in person to your mentor and internal expert as per their time availability and instructions. Contact them for the same.

The presentation should include:

1. Introduction
2. Field/Market/Literature Survey
3. Problem Statement
4. Project Objectives
5. Block Diagram/Circuit Design/Techniques/Methodologies to be adopted
6. Hardware/Software requirement along with estimated cost
7. Project Plan
8. References/Bibliography

The rubric of evaluation is as follows.

| S. No | Performance Indicator | Marks |
|--------------|---|-----------|
| 1 | Field / Market Survey & Literature Survey | 10 |
| 2 | Problem Definition | 5 |
| 3 | Presentation | 5 |
| 4 | Scope | 5 |
| 5 | Project Planning | 5 |
| Total | | 30 |

Report your mentor and internal expert and update them regarding the progress in your work regularly. Additionally, prepare a notebook to maintain a record of your meeting with the mentor and internal expert. It should have information regarding Date, Work assigned, Work completed, suggestion/ comments from mentor and internal expert along with their signature.

Kindly find the notice for phase 1 and sample format for presentation.

All the best....Happy Learning!!

Thanks and Regards,

Dear faculty,

I am attaching herewith a Unit Test 1 time table for your reference. The subjects' short forms are taken according to the department table received. Please verify and let me know. Since we are going to conduct an exam online on Moodle platform, we need to prepare question papers accordingly on moodle platforms.

Unit test 1 will be for 15 marks and duration is half an hour for each subject, The no of questions and the question type will be decided by the subject in charge.

Thanks and regards.

Dear Students,

After the meetings with Student's Representatives, based on the feedback received following action has been taken with immediate effect:

1. Unit Test 3 shall be conducted from 2nd to 4th November 2020 instead of 31st, 1st and 2nd November 2020.
2. The Term shall end on 13th November 2020.
3. The End Semester Examinations shall be of 60 marks subjective, 2 hours duration and to be conducted online from 21st November to 27th November 2020.
4. The lab orals (ESE) can be scheduled either before/after the conduction of End Semester Examinations based on convenience of both Faculty as well as the students.
5. Mathematics and numerical based subjects to be taught preferably using a pen-white board/ chalk-board/ pen-paper approach rather than powerpoint presentations (Faculties may use Google White Board-Jam launched recently).

Dear faculty,

I am attaching herewith Unit Test 3 time table and ESE time table. The last date to upload question paper for Unit Test 3 is 31st October 2020 and for ESE examination it is 18th November 2020. You can upload Unit Test 3 and ESE examination in "question bank" under Administration on MOODLE.

For the students, to get familiar with the subjective type examination process, guidelines are created where students will upload the answer sheets.

Today evening will forward the guidelines to all students.

Dear Sir / Madam,

I first of all congratulate you all for completing academics in the odd semester of 2020-21. I appreciate your restless efforts to successfully run the classes and laboratories if any. In spite of such a challenging situation, you all have demonstrated quality of work and your attachment to the institute.

COVID situation though improving, not yet over. Hence as a cautious move, we are going to start the classes for 6th & 8th sem. (UG) and 4th sem. MCA from 4th January 2021.

The timetable will be mailed to you by respective HOD's shortly. You are requested to demonstrate the same enthusiasm as it was in the last semester.

Once again I thank you all and wish you a very happy, healthy and prosperous new year 2021.

Regards,

Dr. Rajendra Sutar

Dear Faculties,

The wait is finally over!

Transcending all the limitations posed by this pandemic, Oculus is back with its third edition: **Oculus 2021**.

From innovative hybrid platformed events to a wide range of category events, this year Oculus has left no stone unturned to try and create an immersive experience for all despite the challenges!

It gives us immense pleasure to cordially invite you to witness the ingenuity of Oculus 2021, the Annual Techno-Cultural festival of our college this weekend!

Also make sure you are present at our entrance at 2:30pm today to witness the inauguration ceremony.

We look forward to your support and hope to see you there. Tune into our YouTube channel for the same:

Dear guides,

As per the academic calendar the Project Proposal submission which includes a presentation with guide and two experts is on 19th July 2019.

Seminar III title presentation will also be scheduled along with thesis presentation on 19th July.

1. Student has to prepare a report (1-2 pages) with Proposed title, area of project, literature survey, references and show report to guide before presentation.
2. Guide and two experts at the time of presentation must sign and write comments in the report itself and later submit to M.Tech Coordinator.
3. 10 minutes Presentation should have minimum 5 slides (Introduction, Motivation, Literature survey, References)
4. The Venue is M.Tech Classroom and time of presentation between 2-4.30 pm.
5. If the time is inconvenient to guide, they are free to reschedule preferably on 19th itself in M.tech classroom

Please share time of presentation you prefer in link below to avoid confusion.

<https://docs.google.com/spreadsheets/d/18Tea6m1a33V67BNldpg4id7ZHSI0UBdvuN1JeTFiWXQ/edit?usp=sharing>

A minor change in seminar 3 evaluation procedure.

There will be two evaluations for seminar 3

- i. By guide and internal expert during phase 1
- ii. By guide and external expert during phase 2

The cumulative marks of the two evaluation will be considered as final score to be submitted to Exam cell.

Alumni Network Meet 2019

posted by administrator on December 23rd, 2019 under Announcements, Events

Dear Alumni,

It gives me great pleasure in inviting you all for our Annual get together which is scheduled on **28th December Saturday 2019 4:00 PM** onward In College. The detailed agenda will follow but before that I wanted to make sure that you are blocking the date for the event. Last 2 years were milestone for us. We entered the autonomous phase of working our academics. Exciting, exhilarating, somewhat scary but extremely satisfying all that would describe the last 2 years for all of us (students as well as faculty and staff) and hence we are really looking forward to this year's get together. This will be our opportunity to share all that we executed and some future planning and also take your valuable suggestions.

So please do block your date and come to college on **28th December 2019**.

Thanks and Regards
SPIT Alumni Network Team and Principal, SPIT

Please fill the link given below to confirm your presence at Alumni Meet 2019.

Dear guides,

Phase 4 presentation is a ISE component that must be completed by May 22 , 2020 as per the Principal's mail. The ppt must be taken by the guide along with two internal experts. The meeting schedule and link may be decided by the guide.

It is a request to share the meeting link with M.Tech coordinator.

As part of phase 4 evaluation students must submit a copy of their blackbook and paper published or to be published for evaluation. The students may submit black book for review and correction(this is not final submission) up till May 22,2020.

Please run blackbook report (both first draft and final version) though plagiarism check before evaluating blackbook and give appropriate marks . The similarity content must not exceed 15%.

I request you to submit the filled phase 4 evaluation marksheet after evaluating their draft copy of black book being shared as google form by 30th May 2020.

Dear Students,

With reference to email from R&D committee, kindly prepare for your TPP in consultation with your Mentor.

We have already discussed regarding various possibilities to carry on with your project. Hope you have been following up with your respective mentor accordingly.

However we would like to see your progress being made in terms of a pre-phase 4 presentation (Evaluation will be carried on by same panel of 3 experts available for previous phases). Date, meeting links and time will be shared shortly by Prof. Narendra Bhagat.

All the best.

Subject: Research paper competition notice 2019 20 (even sem)

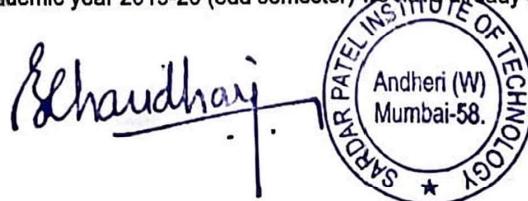

To: <faculty@spit.ac.in>

Dear All

Warm Greetings!!

The Research and Development committee (R & D) encourages students and faculty to enhance their research work by publishing the research paper.

For the last 6 years, the R & D team has been organising "Technical Research Paper Presentation" Competition for final year students. In the academic year 2019-20 (odd semester) we have already conducted this competition for Category I

students.

Due to the pandemic situation, this year we have changed the mode of conduction for final year category II and MCA students. We have also updated rubrics of the evaluation focusing on the presentation skills and research content.

We have planned to conduct a Research paper presentation competition and project exhibition on 15th May 2020. Final year students from engg. will represent their final year project using video and research paper using virtual mode (MCA will present research paper only). Experienced faculty from other equivalent dept will judge this event with the help of the R & D coordinator. This evaluation will be uniform and unbiased. It is advised to each dept to consider this evaluation mark with the scale of 10 as a part of their term work.

Student need to register for the competition using google link: <https://forms.gle/SNsHgHQGohFgWpYm9>

Registration link will be open upto 12th May 2020.

Notice for the students and Rubrics of evaluation is attached herewith for reference.

Guidelines for conduction of event, web link for accessing and evaluators names will be mailed to all registered students by 14th May 2020.

Thank you!

Best Regards

Dear Sir/Madam,

As per the academic calendar the progress seminar for research scholars is scheduled from 2nd July to 13th July. I request all the supervisors to plan the presentations during this period. Please refer the attachment for the examiners list. Since some of the names are common, communicate the dates to others so that it will be convenient to every one.

Scholars who have completed more than four years from DOR need to follow the re-approval procedure.

- a. Work sofar
- b. Publications
- c. Further work
- d. Justification for continuation
- e. Time-line

Candidature is subjected to be approved by Research committee of S.P.I.T. center and University.

Dear All,

Due to Placement schedule on 20th and 23rd July the Project proposal submission presentation is postponed. The presentation is now arranged on 25th, 26th and 27th July in B.E Class Room from 2 pm onwards. According to sequence mentioned in attachment PDF Group No. 1 to 8 will give presentation on 25th, Group No. 9 to 17 will give presentation on 26th and VSTF groups will give presentation on 27th. Kindly refer the earlier mail for the format of presentation. All the groups (including VSTF groups) have to discuss their project with their respective guide otherwise that group will not be allowed to present their project proposal on that day.

Dear all teachers

The Mid sem exam is starting from 24th September and will finish on 28th September. Please let me know by today evening if any extra material such as graph/semi-log paper/data sheet should be provided for any of exams. When you have invigilator duty, report to exam section at least 30 min before exam time.

As per academic calendar, the Open house for MSE is scheduled on 4th October. Hence I plan to declare the provisional result on 3rd October.

You all are requested to finish the assessment by maximum 1st October (2nd October is a holiday).

The CAP will remain open from 9:30 AM to 7:00 PM. It will be helpful if you complete answerbook checking on the same day or maximum by next day of exam.

The redressal of grievance cases by all teachers should be done from 4th to 8th October.

Please note that AY 2018-19 onwards, the fraction marks of ISE, MSE & ESE will be displayed to students in the provisional result. The sum total of ISE+ MSE+ESE will be rounded up to the next integer.

Looking forward for positive co-operation from all.....

Thanks and Regards

Dear all faculty members,

Please find below the schedule of open house for various classes:

| Class | Open house date |
|-----------------------------------|-----------------|
| All branches of SE , TE and BE | 05-12-2018 |
| SYMCA & TYMCA | 05-12-2018 |
| First year M Tech (Comp) | 05-12-2018 |
| First year M Tech (EXTC) | 06-12-2018 |
| FYMCA | 13-12-2018 |
| All branches of First Year B Tech | 17-12-2018 |

If any student is unable to attend the open house on first day due to some genuine reason, he must submit the application (signed by DEC & HoD) to exam section. He/ she will be allowed to see the answerpapers in CAP room in presence of DEC. Please note that all faculty members should be present for open house.

From the academic year 2018-19, students who fail in ESE (or want to improve their grades) will have to fill up a form to appear in Make up exam. I will provide a bunch of blank forms in open house. Students can fill up the form and submit it later in exam section.

Thanks and Regards

Dear Students

Please note the following regarding assessment of final year projects.

1. Technical paper presentation contest is on 12th April. There are marks TPP and attendance is compulsory. Please get the approval from your guide before submission of paper; including pagarism report.
2. Project and Poster competition is on 18th April. On the same day you also have project examination. Make sure that you get spiral bound copy of your project report (only one copy) on 18th April. Get separately requisite number of copies of certificates to be signed by the external examiner.
3. You will incorporate modifications suggested during examination in your project and submit revised copy of hard bound project report on 24th April.
4. If you do not incorporate changes in the project before deadline then your project report will not be signed by guide. In this case you may have to come during vacation period for completion of work and reexamination may be arranged for you. We will treat this as make-up examination for project and you will be penalised in grade.
5. Make sure that you complete all the formalities of project submission on 24th April; which will be communicated to you by project co-ordinator Prof. Narendra Bhagat.
6. Also you need to submit program exit form, keys of the lockers, hardware kit etc. once you submit the project. If you complete all of these formalities then only you can get 'No Dues' signed by the department.
7. If you do not submit the locker keys and hardware kits issues to you then you will be financially penalised for the same to recover the cost of the hardware. In this case your 'No Dues' will not be issued to you pay the fine.

Best of luck.
