Dear Chirag Jitesh Rana,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Computer Science (MS) program at the Ira A. Fulton Schools of Engineering, offered at the ASU Tempe campus for the 2022 fall semester.

Important: Continued registration beyond your first semester is contingent on the receipt of the official transcript and (in most cases) a degree certificate from the institution(s) listed below. Official transcripts must be issued by the registrar of the institution attended, bearing the seal of the institution and signature of the academic official.

University of Mumbai

Documents must be submitted in the original language with an official, literal English translation and must show your final grades, the degree received and the date the degree was granted. Learn more about official transcript translation requirements at admission.asu.edu/international/graduate-apply.

For more information on required documentation, please visit your Priority Tasks at my.asu.edu.

Important: For detailed information regarding I-20 requirements, including necessary forms and deadlines, go to the International Admission Services website at admission.asu.edu/international/student-visa. To monitor the progress of your I-20, view the I-20 Tracker in my.asu.edu.

**RE: Co-op Work Permit for mandatory component of
Global Business Management (20841)**

This letter confirms that a Co-op /Work Placement/Internship is a mandatory requirement of the **Global Business Management** program at Humber College Institute of Technology & Advanced Learning in Toronto, Canada. This letter is to be used as supporting documentation to apply for a Canadian **Co-op Work Permit**; you should apply for your Co-op Work Permit at the same time as you submit your Study Permit application.

This work component requires the completion of **320 hours** working in an industry related to the field of study.

This placement is an essential and integral component of the program and forms less than 50% of the total program of study. Successful participation and completion of the internship placement is a requirement for graduation. Prior to beginning any type of co-op/placement/internship, all students must receive a coop work permit in addition to their study permit.

If you have any questions please do not hesitate to contact us via our enquiry form:
international.humber.ca/contact or by phone: +1-416-675-5067.

Sincerely,

Dear Ms. Kale,

The Computer Science program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. [Learn more](#) about graduate education at NC State.

Please return to your [applicant portal](#) to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status: Full Admission
Degree Program: Master of Computer Science (MR) - On-Campus
Intended enrollment term: Fall 2022

Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the [graduate program](#) to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

STUDENT ACCOUNT CLAIM

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Students eligible for a Northeastern online account will receive an automated account claim email, which is typically generated overnight after your admissions decision is posted. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account.

To claim a student account:

1. Open Account Claim email.
2. Click on the "Claim your Northeastern online account now" claim token included in the account claim email.
3. Follow the prompt to enroll in Duo, the university's two-factor authentication provider.
4. Complete the "Student Account Claim" form.
5. Review and accept the "Northeastern University Appropriate Use Policy for Computer Network Resources."
6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be unable to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn't meet the minimum length requirement.
- You have not yet been assigned an NUID (please contact khoury-gradschool@northeastern.edu)

If your graduate information does not match, contact Khoury College to see if the admission data on file indicates you should receive an account claim email.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617.373.HELP [4357] or email help@northeastern.edu.

ENROLLMENT

Your admission to the Khoury College of Computer Sciences at Northeastern University is contingent upon fulfillment of all of the following requirements, and satisfaction of all applicable local, state, and federal laws.

OFFICIAL TRANSCRIPTS

Additionally, all new students are required to submit a final official transcript from your undergraduate/bachelor's degree-granting institution. Official transcripts must be sent directly from the reporting institution electronically to khoury-gradschool@northeastern.edu or by mail to either address below. Students may also send certified, sealed copies to either address.

Your Applicant ID may be found by logging into Apply Yourself and clicking Edit Application. Your Applicant ID is located on the main welcome page. Please allow 5-7 business days for processing after receipt.

Per university policy, transcripts must be submitted within 30 days of the start of the semester. Unsubmitted transcripts may result in a registration hold for the following term. If you are unsure as to whether you already provided us with your final transcript, please email khoury-gradschool@northeastern.edu to check.

DEFERRING YOUR ADMISSION

Students may request to defer their Fall 2022 admission for one semester by submitting an enrollment deposit through the admissions portal and completing the deferral request form.

Khoury College recognizes the challenges presented by the pandemic. Our deferral policy ensures equitable availability of seats to both deferred students and new applicants over the coming admissions intakes.

CAMPUS CHANGES

Accepted students may request to change their campus by submitting this form by the deadline posted on the form. This process ensures applicants' equal access to preferred campuses and helps Khoury College monitor campus capacity. Requests will be considered after the deadline and will be approved based on campus capacity at that time. Students will receive a decision by the date posted on the form.

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Management of Technology program at **NYU Tandon School of Engineering** as a Full Time student. I am also pleased to offer you a scholarship of \$7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to the latest developments in your area of specialty.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

Be sure to accept the offer of admission and reserve a space in the Fall 2022 class before your deadline of February 28, 2022. To find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You may also need to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which you have previously attended. Failure to provide your final official transcripts, proof of degree completion and/or any other academic certificate will prevent you from registering for courses at NYU.

You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Jainam, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. It is my pleasure to welcome you to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed
 Assistant Dean, Admissions

*I certify that I have reviewed all of my application materials, including having previewed all uploaded documents, to insure that they are complete, correct, and legible. I agree to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which I entered a degree conferral date in my application for admission. I acknowledge that failure to provide official transcripts, proof of degree completion and/or any other academic certificate will prevent me from registering for courses at NYU. I understand that my application fee is non-refundable. I certify that I have read and understood all instructions accompanying this application and have answered all questions truthfully to the best of my knowledge. I understand that any misrepresentation or omission may be cause for denying

Application for: Fall 2022

Upon recommendation of the faculty, we are pleased to inform you that you have been provisionally admitted to graduate study at **San Diego State University**.

Admission to SDSU as a graduate student in any category requires the completion of a baccalaureate degree. Since we do not yet have evidence of the award of the required degree, you have been admitted in a provisional status. This means that you must provide us with an official transcript showing your undergraduate degree was awarded prior to your first semester of enrollment at San Diego State University. The proof of your degree must be provided before the end of your first semester at SDSU.

If for any reason you do not provide the required official transcript, you will not be permitted to register for a second semester. Students earning their degrees at SDSU may be permitted to revert to undergraduate status. Students earning degrees at other colleges or universities will not be permitted to continue enrollment at SDSU unless readmitted in an appropriate status. In either case, students who have been removed from graduate status will have to reapply and be readmitted once the undergraduate degree is awarded if they wish to pursue graduate study at SDSU.

If a university or college other than SDSU has awarded your degree, please have an official final transcript sent directly to:

Dear Yash Chirag:

I am pleased to inform you that you have been admitted to the Master of Science program in Computer Science in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2022 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$10000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.

Sincerely,

Dr. Jean Zu

Important Reminders:

- Deferrals may be requested for one semester and must be approved by the Office of Graduate Admissions.
- All final official documents, including your official transcripts, proof of conferment of degree, official test scores, and financial documents must be submitted to the Office of Graduate Admissions. Please review any missing items that are indicated on your application status page. All required documents must be received prior to the start of your first semester. If you do not submit the required documents, you will not be permitted to enroll for your second semester.

Next Steps

- Confirm your attendance here (<https://gradadmissions.stevens.edu/apply/form?id=26085bd8-8dcc-45ae-9f4f-c737c432ebb0>) as soon as possible, but no later than 2022-03-24
- To confirm your attendance at Stevens, you must submit a \$500 enrollment deposit which will secure your seat in the class. The deposit is not refundable, but will be credited toward your first tuition bill. After accepting the offer of admission, pay your enrollment deposit by clicking on the "Enrollment Deposit" link on your Applicant Status Page.
- Review **The English Language Proficiency Requirements** to understand if you will need to take any English Language course in your first semester at Stevens. A copy of the policy can be found at www.stevens.edu/sit/graduate/ELC (<http://www.stevens.edu/sit/graduate/ELC>). **Note:** Placement in any English Language course will be made based on the English Language test score used during the application review process.
- Upload to your Application Status page all documents listed below required for the issuance of the I-20 Form*:
 - Copy of passport identification page with photograph
 - **Graduate Financial Verification Form (FVF)** (<https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1>). Form must be completed in its entirety.
 - Financial documentation that proves your ability to meet all education and living expenses for at least the first year of study (for the total amount please refer to the FVF /Part II)
 - **Transfer students:** If you are transferring to Stevens from another U.S. institution, you must submit additional documents; a list of documents can be found here (<http://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1>).

**Guidelines for Submitting Financial Documents are available on the ISSS website here (<https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1>) and on your Application Status page under "I-20 Documents Tips"*

Please Note: I-20s are generally issued within 10 business days of receiving all required documents (<https://www.stevens.edu/directory/international-student-and-scholar-services/newly-admitted-international-students/applying-form-i-20-f-1>). If additional documentation or information is needed, an ISSS staff member will contact you directly once the review of documents is completed. When processed, the Form I-20 will be forwarded electronically to the e-mail address provided on your admissions application.

Stevens Master's Scholarship Terms and Conditions

Mr. Yash Chirag Shah
1603 Ivy, Nahar Amrit Shakti, Powai, Chandivali
Mumbai Maharashtra 400072
India

Congratulations! As indicated in the letter from the Dean, you have been awarded a Master's Scholarship Award for the Fall 2022 semester in the amount of \$10000.

Please read the terms and conditions of this award.

- This is a one-time award that will be disbursed over two consecutive semesters; the award can only be applied toward your tuition and fees for two subsequent semesters, beginning with the Fall 2022 semester.
- The award cannot be deferred to a future term and is non-transferable.
- To accept the award, the enrollment deposit of \$500 must be paid on your Applicant Status Page by 2022-03-24. The enrollment deposit is non-refundable, but will be credited toward your tuition.
- The award will be disbursed in two equal installments and applied towards your student account after the drop/add period of respective semester.
- This award is contingent upon you maintaining a full-time on-campus enrollment status as a Master's student in the program for which this award was made. At any time during the semesters should your enrollment status change your award will be cancelled and any funds disbursed for that semester will be removed from your student account. You will be responsible for making any outstanding balances that result due to the fellowship cancellation.
- The award is only valid for students enrolled full-time in an on-campus Master's program.
- The award will also be cancelled should you decide to withdraw from Stevens at any time during the above-mentioned semester.
- If you are a current Stevens Institute of Technology student and have been admitted into a new program, you are not eligible for the scholarship.
- Failure to accept the offer of admission and pay the enrollment deposit will result in the automatic forfeiture of the scholarship award.

UNIVERSITY OF COLORADO BOULDER

Mr. Ashutosh Vinayak Naik

404, Leela Durg Chs, Opp. Don Bosco School, New Link Road, Borivali West
Mumbai, Maharashtra 400091
India

Dear Mr. Ashutosh Vinayak Naik:

Congratulations! We are pleased to inform you that you have been granted admission to the Computer Science - MS program at the University of Colorado, Boulder beginning Fall 2022. For tuition classification purposes you are considered a Non Resident. Your official start date is August 22, 2022. International students are recommended to arrive at least two weeks before classes start.

As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field. CU Boulder works to create a diverse, equitable and inclusive campus community. We believe that how we treat each other matters. Our success as a campus community relies on mutual respect and collaboration. We invite you to read more about our values.

Academics

The Graduate School allows FOUR years to complete the master's degree requirements, however, our students typically take two to two and a half years to complete the degree requirements. The academic program is generally organized across 2 years. Details about the curriculum, requirements, and structure of the program can be found at <https://www.colorado.edu/cs/students/graduate-students>. Please feel free to consult with Graduate Program Manager, Rajshree Shrestha, at Rajshree.shrestha@colorado.edu concerning matters related to your graduate studies here. Upon arrival in Boulder, please make sure to meet with Rajshree Shrestha, and work with her to fill out the IS/MSCPS Plan of Study and submit it by the end of your first year.

Costs

Student Tuition

Each year students must pay tuition based on the number of credits they are enrolled in, in any given semester. Tuition rates are based on the degree program and option you are admitted to and on your Colorado residency status. Please check details about the tuition at the Bursar's Office website:

- If you are a research-based MS student, please check the Engineering Rate Sheet based on your in-state or out-of-state residency status.
- If you are a Professional MS student (course-based MS), please check the Professional Master's in Engineering Rate Sheet based on your in-state or out-of-state residency status.

Residents should reference the 'Colorado Resident' rate sheets and out-of-state residents or international students should reference the 'Nonresident & International' rate sheets.

235 |

Schudhij →

Student Fees

Each year you will be responsible for paying out of pocket costs for a number of student fees, such as capital construction, recreation center, and bike program, student computing, athletic fee, mental health resource fee, career services fee, arts and cultural enrichment fee, student information system fee, Wardenburg additional campus care plan, and grad fee, which totals to approximately \$866.29 per semester (based on AY 21-22 rates) for students taking 7 or more credits. There is also a one-time new student fee of \$62.00 for all students, and international students will have an ongoing \$40.00/semester immigration compliance fee. These fees provide you access to a variety of amenities on campus, including an unlimited use of the Recreation Center, resources through the Career Services Office, and much more. A tuition and fees estimator, as well a list of all due dates can be found on the Bursar's Office website.

Health Insurance

The standard insurance, CU Student Gold Health Insurance Plan, available for graduate students typically costs \$1,948.00 per term (based on previous rates). Please know as a student at the University you are REQUIRED to get health insurance either through the university or elsewhere.

Funding

Our departmental funding (TA/RA) is mainly reserved for our PhD students who are admitted with a funding commitment. For that reason, our master's admissions does not include any departmental funding, scholarships or fellowships.

Acceptance of Offer of Admission

On your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing intlgrad@colorado.edu. Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the \$200 confirmation deposit on your application status page. Please note that forms such as the I-20 document will be issued through International Admissions. It can take up to six weeks to receive the letter and documents if your letter is being mailed to an address outside of the U.S.

Because of our policy of limited admission, we would appreciate a response from you, by confirming your intent to enroll on the application status page and by emailing Rajshree.Shrestha@colorado.edu by May 31, 2022. However, please be aware that Fall 2022 class enrollment begins on April 25, 2022 and since CS classes are very popular, it will be to your advantage to confirm your intent to enroll before enrollments begin to ensure class enrollment. Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

Please work with your academic advisor to fill out the MS/MSCPS Plan of Study and submit it to the Graduate Advisor by the end of year one. On behalf of our faculty, we congratulate you on your promising academic record. We sincerely hope that you decide to join us at the University of Colorado, and we wish you the best of success in your continued professional development. Our program, faculty, and students are outstanding, and we think you will find that the University of Colorado provides an exciting environment for your graduate work. If you have any questions

Dear Bhargavi Sunil Poyekar,

It is my pleasure to offer you admission to the UMBC Graduate School as a student in the **Computer Science, M.S.** program for the **Fall 2022** semester. You are now eligible to take courses at UMBC towards the completion of your degree program. We were impressed by your qualifications, and hope you will find graduate education at UMBC challenging and rewarding. Your Graduate Program Coordinator will be in touch with you soon regarding program-specific orientation and advising requirements.

Please indicate whether or not you have accepted your admission by logging into your myUMBC account and following the prompt on the main page. **You must activate your account and accept your admission in order to register for classes.** To do this, visit <https://webadmin.umbc.edu> and click the "Create My Account" link. You will need to provide your birth date and campus ID to activate your student account.

Your campus ID is **CH33454**.

As you prepare for your arrival at UMBC, there are some health related requirements that you must meet before you arrive on campus. Visit the University Health Services website and check the "Incoming Students" section to review and submit required health forms. The Graduate School Catalog and Policies and Procedures are available at our website.

UMBC's Office of International Education Services (IES) will issue you the appropriate document to obtain a visa from the American Consulate. The IES office will reach out to you shortly after you are admitted. For more information, please visit the IES website.

Residential Life provides temporary housing accommodations on campus to UMBC graduate students who will be participating in campus orientation programs. Please be aware that temporary housing is available on a limited basis, and is not guaranteed. For more information about housing registration, availability and costs please click [here](#), or contact Residential

Sunday

Life at reslife@umbc.edu.

Most international graduate students live off-campus during the academic year. Information regarding off-campus housing and public transit is available through Off-Campus Student Services.

While you are eligible to enroll and register for classes, we will still need the following documents from you before you are fully admitted to the Graduate School:

Please submit these documents directly to the Graduate School before the end of your first semester.

If you have further questions about your admission, please contact the Graduate School's main office at 410-455-2537, or email gradschool@umbc.edu. We are excited to welcome you to UMBC. Congratulations again on your admission.

Dear Vaidehi Anant,

USCID: 2671-1575-53

We are pleased to inform you that you are academically eligible for admission to the Fall 2022 semester as a graduate student majoring in Computer Science (Artificial Intelligence) leading to a Master of Science.

To receive your official offer of admission, you must first demonstrate proof of the ability to pay tuition and living expenses for yourself and, if applicable, your spouse and/or any children intending to travel with you to USC for the duration of your coursework.

Please submit the following:

- A bank statement showing funds that meet or exceed your program expenses.
- Confidential Statement for Sponsored Studies if you are sponsored by a family member.
- A copy of your passport.
- Passport copies for each of your dependents (spouse and/or children). This is necessary only if your dependents are planning to apply for E-2 or J-2 visas.

These documents must be received and approved before your official letter of admission to USC can be issued. Your I-20 or DS-2019 will be issued only after you review your official admission letter and you have submitted your Statement of Intent to enroll at USC.

Visit the Submitting Financial Documents page of our website for detailed documentation guidelines and estimated expenses for your program.

Submit your documents as PDF or JPEG attachments via our website. From the *Select an Area* drop-down menu, select your school. From the *Category* drop-down menu, select *Immigration Matters (I-20s, Visas, etc.)*, and then *submit financial documents/passport*.

If you are receiving a scholarship from USC: Have your department submit your award documentation to the Office of Graduate Admission, if they have not done so already.

Please make sure to submit your financial documents at least 10 business days prior to any departmental deadline to confirm your intent to enroll. If your program has not indicated a deadline, you should submit your financial documents as soon as possible to expedite the admission and visa application processes.

Submitting your documents does not constitute an agreement to enroll at USC and will only grant you access to your official admission letter and Statement of Intent to enroll. If you do not intend to enroll at USC, please log in to youSC and select "I do not plan to attend USC" on the Decision Status page to formally decline the offer.

We look forward to seeing you on campus!

Sincerely,

Dear Shivangi Dattatrey Kochrekar,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science (Artificial Intelligence) within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (3320-2654-65) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold

Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy L. Brunold

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierv.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Dear Shobhit Verma,

Congratulations! On behalf of the Master of Science in Information Management (MSIM) Admissions Committee and the faculty of the Information School, I am pleased to notify you that we have recommended you for admission to the **Early-Career Residential MSIM program** with a specialization in **Data Science and Business Intelligence** for Autumn 2022. The University of Washington Information School has a highly competitive admissions process and you can be proud of your selection for this program. **The deadline to confirm your enrollment is April 15, 2022.** Please visit the 2022 UW Information School Admitted Student Website for instructions on accepting your offer. We encourage you to visit the site frequently for up-to-date information on the program, important deadlines, required next steps as you prepare for fall and ways to connect with your future classmates. If you do not accept the offer of admission by April 15, we will release your spot in the program to another applicant.

Required next steps for those planning to enroll are outlined on the admitted student website and will appear on your Application Status Page in MyGrad upon acceptance of the offer. To accept the offer of admission, you will be required to pay a \$250 non-refundable deposit. Additionally, please note that your enrollment eligibility is contingent upon final verification of your official documents by the UW Graduate School. Once you accept the offer of admission, you will be given instructions on submitting official transcripts for degree verification, as well as submitting any necessary financial documents, if applicable, to the UW Graduate Enrollment Management Services (GEMS) office.

If you have any questions, please contact our Student Services office at iask@uw.edu. Once again, congratulations! My faculty colleagues and I look forward to seeing you in the fall.

Sincerely,

Hala Annabi

Dear Netra,

Congratulations on accepting your offer of admission to the **M.S. in ECE - Pittsburgh, Applied Study** program in the department of Electrical and Computer Engineering beginning in the **Spring 2023** semester.

Program Information

This degree is typically completed within 3 academic semesters (summer does not count as an academic semester) and includes a required internship component. For more information about the department's graduate programs, please visit [ECE's website](#).

Faculty Advisor

All masters students are assigned a faculty advisor based on your stated interests and faculty availability. The purpose of your faculty advisor is to help shape your academic career in Electrical and Computer Engineering and to provide you with professional development support. Registering for first semester courses can begin before your advisor has been assigned, but we encourage you to connect with your advisor early in the semester.

Cost of Attendance

You will be responsible for all your financial support (tuition plus living and other expenses) for the duration of the Master's Degree program. Please review the current [list of expenditures](#) to learn more about tuition rates and applicable fees. Summer courses, if taken, are charged additional tuition at the per unit rate.

Health Insurance

Students are responsible for covering the cost of their health care insurance, which is mandatory. If you are covered by another plan and do not opt to joint Carnegie Mellon University's plan, you must document this coverage. Please see the [University Health Services](#) website for more details.

Additional Information

For students interested in joining the Ph.D. program, we recommend that you must be enrolled in your master's program for at least two academic semesters (not including summer) prior to enrollment in the Ph.D. program so the Ph.D Admissions Committee can better assess your application with respect to your graduate coursework and/or project experience at Carnegie Mellon. Please review the deadlines to ensure that you submit the Ph.D. application in a timely manner. For assistance with the application process, please contact the [ECE Graduate Admissions Office](#)

Questions?

If you have any additional questions regarding this offer or the program, please feel free to reach out to [Tara Moe](#), ECE's Director of Student and Academic Affairs.

In closing, I want to congratulate you on your excellent academic record. I am confident that you will find the ECE department at Carnegie Mellon a stimulating and warm environment and we are excited about the prospect of your joining our department. The faculty and I look forward to welcoming you in the fall .

Sincerely,

Date: 04th May, 2022

Dear Radhika Bharat Joglekar (Application No: 221P02114),

Congratulations on your selection to the Ph.D programme in the discipline of Electrical Engineering-EE at IIT Gandhinagar! You are about to join a dynamic institution that is committed to innovation and excellence in education. We take tremendous pride in our novel approach to academics and our futuristic outlook, and look forward to having you join us soon in this exciting endeavour. Our vision and mission statements are enclosed. Your tentative supervisor is Prof. Nihar Ranjan Mohapatra. You may contact your tentative supervisor via email at nihar@iitgn.ac.in to get more information about your proposed research work.

The general terms and conditions of your admission are also enclosed (Enclosure 1), along with details on fee payment (Enclosure 2). Kindly note the deadline for fee payment carefully. You will receive Institute fellowship as per norms.

As an institution, we are committed to adopting the best standards and practices in education. We therefore take an uncompromising position on ethical conduct and human values. We believe in equal opportunities for all and are committed to a policy of non-discrimination against any individual based on his/her ethnicity, caste, religion, gender or socio-economic status. We also have a "zero tolerance" policy towards ragging, harassment and bullying of any sort (Enclosure 3). You are also required to submit a signed statement on good conduct and academic honesty (Enclosure 4).

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 5). Hostel rooms may have to be shared with other students. The Institute can currently accommodate only very limited guests of the students inside the campus. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for guest accommodation outside the campus.

IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at <https://campus.iitgn.ac.in/facility/>. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.

You are required to arrive at the Institute campus by 5 PM on 17 July 2022. The joining and registration procedures have to be completed on 18 July 2022. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course. If you are unable to register on 18 July 2022, we will presume that you are not interested in admission to IIT Gandhinagar. At present there is no requirement of quarantine but you must be fully vaccinated before you arrive on campus. However, if the Institute quarantine norms changes in view of the evolving pandemic situation, a revised schedule of arrival on campus will be intimated in due time.

Please do not hesitate to contact the Academic Office if there are any questions. We look forward to personally welcoming you at IIT Gandhinagar soon.

With best wishes,

Shalom and Hello,

Congratulations! I am very happy to inform you that your application to attend Technion as a research student during **Spring Semester of the 2021-22** and **Winter semester of 2022-23 academic years** has been approved by Technion International and **Prof. Shahar Kvatinsky** from the **Faculty of Electrical and Computer Engineering.**

According to our files, your planned research period at Technion is

July 1st – December 31st 2022

Travel options to and from Israel remain limited due to border closures and flight cancellations in response to the COVID-19 pandemic. Due to regulations of the Israeli government, non-Israelis are **might encounter delays in entering the country**. Students who receive an approval to enter the country (student visa), might have to stay in quarantine at Technion for 14 days after their arrival. Therefore, **the final dates of the research period are subject to change at any time**. Please **contact our visa and welfare coordinator, Mrs. Michal Kesary (students@int.technion.ac.il) for further assistance with the visa procedure and available entrance dates.**

Please note that all academic matters must be approved and resolved by the hosting faculty. Your administrative advisor is **Ms. Orna Nagar-Hillman** (e-mail: research@int.technion.ac.il).

Preparing for your visit, the following steps must be completed:

1. **Academic Fees*** must be paid to Technion International **prior** to your arrival, using the student payment form below.
 - a. **A processing fee of \$250 per semester must be received at Technion International before your arrival and is non-refundable.** Please send the money either via bank transfer (bank information is provided below) or by credit card at least 2 weeks prior to your arrival.
 - b. **Tuition fee:** Research students are exempt from tuition fees. If you wish to take academic courses, the fee is NIS 1500 per credit point.
2. **Campus Fees*** must be paid to the **Technion Student Account Department** in NIS **upon arrival**.
 - a. **Student Fees** include student association membership fee, security and welfare, adding up to **NIS 580 per semester (or part thereof)**.
 - b. **Accommodation Fees:** Dorms cannot be guaranteed for visiting students. If dorms are available, the fee for international visitors is **NIS 1250 per month (+ a one-time 800 NIS deposit)**. Monthly charges such as electricity, water, and internet are not included in some dorms and will be added to the monthly rent. Please note that the dorms charge from the first day of each month to the last day of the month. If you arrive after the 15th of the month or leave before the 15th, you will only be charged for half a month.

1

3. **Health Insurance** must be arranged prior to arrival at the Technion either through a local Israeli agent of your choice or via the agent working with Technion (Mr. Amos Gilboa, Phone: 972-3-6386216; Fax: 972-3-6874534; e-mail: mali@yedidim.co.il). You may NOT arrive in Israel and Technion without a valid Israeli insurance.
4. **Visa:** International Students at the Technion must obtain an A2 Visa (student Visa). You may present the attached acceptance letter at the **Israeli Embassy/Consulate for Student-Visa purposes**. If you need assistance with visa issues or have any question regarding tourist or student visas, please contact visas@int.technion.ac.il.
5. Please set an appointment upon arrival with Ms. Michal Kesary and Orna Nagar-Hillman for further information and necessary documents.
6. **All forms attached below must be signed and returned to Ms. Orna Nagar-Hillman via e-mail immediately.**
7. **Visitor's guide:** Will be sent to you shortly. Please read the visitor's guide for important information on transportation from the airport to the Technion, student visas, and more.
8. Once at the Technion, you will receive a student number and will be requested to complete a **safety questionnaire** in order to work in a Technion lab. Please inform us as soon as you complete it.
9. Please make sure to inform us of any changes in your arrival or departure dates. This letter is valid for 4 months from the date it was issued
10. Each letter is for a one-year visit maximum. You will then have to re-apply at the end of the first year – for an additional year.

We will do our best to make your stay at the Technion and in Israel fruitful and enjoyable. We look forward to meeting you soon and we wish you a safe trip.

Sincerely,

Orna Nagar-Hillman

Coordinator of Research Visitors, Technion International

* The Campus and Academic fees include (among other things): TI assistance with visa procedures and finding on/off campus accommodation, registration to Technion as a research student, social activities (orientation day, informal monthly meet & greet, lectures, nights-out, subsidized day/weekend trips, celebrating various holidays, etc.), a Technion student card, Technion swimming pool entry, discounted entry to Technion's gym, campus security, discounts on buses and trains, etc.

Für diese Zulassung gelten folgende Einschreibevoraussetzungen bzw. Auflagen:

* Vorlage des "Bachelorzeugnis"

Wenn Ihr Bachelorabschluss derzeit noch nicht vorliegt, können Sie sich erst einschreiben, nachdem Sie den Abschluss erlangt haben. Diese Zulassung gilt dann als "bedingte Zulassung" für das Wintersemester 2022/23 und die beiden folgenden Semester. Bei einer Bewerbung auf Basis einer früheren bedingten Zulassung bleiben bereits erteilte Auflagen weiterhin gültig.

Wenn Sie vor dieser Bewerbung bereits studiert haben, steht die Zulassung unter dem Vorbehalt, dass Sie den Prüfungsanspruch in obigem oder einem verwandten Studiengang nicht verloren haben, was durch den Prüfungsausschuss im Rahmen der Einschreibung festgestellt wird.

Sie können sich ab dem 01. März in das Sommersemester und ab dem 01. September in das Wintersemester einschreiben. Wenn Sie sich im Wintersemester 2022/23 einschreiben wollen, muss der **Antrag auf Einschreibung** in C@MPUS heruntergeladen, vollständig ausgefüllt, unterschrieben und mit den geforderten Unterlagen (siehe Dokumentenliste in C@MPUS) bis zum **15. Stuttgart, 7. March 2022

Your application for Winter semester 2022/23, Application number 1-00383570

LETTER OF ADMISSION

Dear Aishwarya Vishwas Jagare,

We are pleased to inform you that you have been accepted to the Master's study program **Electrical Engineering (in English), Master of Science** starting Winter semester 2022/23. Welcome!

%CO_LOC_KEINE_AUFLAGEN%

You have received a letter of conditional admission. For this particular admission, the following requirements must be fulfilled/the following documents must be submitted:

- * Submission of 'Bachelor's Degree Certificate'

Since you have not submitted your Bachelor's degree certificate at the time of application for the Master's study program, you received a conditional admission. This implies that, as a rule, you can only enroll after the successful completion of your Bachelor's degree certificate. The conditional admission is valid for Winter semester 2022/23 and for the two subsequent semesters. In case of a renewed application based on a previous conditional admission, the conditions already imposed remain in effect.

If you already pursued university studies before your application, you are only admitted provided that you have not lost the right to take examinations in the study program mentioned above.

Enrollment for study programs beginning in the summer semester is possible from March onwards, for study programs beginning in the winter semester from September onwards.

In order to enroll, you need to download and complete the application for enrollment in C@MPUS, sign it and then submit it to the Admissions Office (Division Students' Affairs) including all required documents (see list of documents) by the end of the enrollment deadline **15. November 2022**. Additionally, your semester fees needs to have arrived by at the University of Stuttgart upon enrollment. Otherwise, enrollment will not be possible and you will not receive your certificate of enrollment.

Please do not forget to attach a certified copy of your Bachelor's degree (in German or English).

Get started at the University of Stuttgart!

Dear Shrestha Agarwal,

On behalf of the **Graduate School of Virginia Tech**, I am pleased to inform you that based upon the recommendation of the Computer Engineering faculty, we can offer you admission to the Master of Science in Computer Engineering program for Fall 2022 at the Blacksburg campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. You may have your prior institution send the final official transcript electronically to grads@vt.edu or by postal mail to: Graduate Admissions | 155 Otey Street | 120 Graduate Life Center | Blacksburg, VA 24061-0325. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by completing the Offer of Admission Reply form found on your student portal page.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online New Student Guide.

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the Office of Scholarships and Financial Aid to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at www.fafsa.gov for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please promptly create your PID. Your student identification number, needed to create a PID, is: 906554960. Please allow 24 hours for our systems to update before creating your PID.

Residence status for tuition purposes is initially determined at the time of your admission application submission. Your residence status has been determined to be Out of State. If you believe your residence status is inaccurate, please contact the Graduate School immediately. It is your responsibility to ensure your tuition billing is accurate each semester.

We want to share some additional information with you regarding immunization and health insurance.

1. All Blacksburg campus full time students must meet state immunization requirements. Visit the Schiffert Health Center website for details and a downloadable immunization history form that must be completed one month prior to arrival at Virginia Tech.
2. Virginia Tech offers a health insurance plan that can be purchased by students who are enrolled full-time. Please visit the Health Insurance website for information detailing plans available through a discounted rate negotiated by Virginia Tech.

All international students are required to purchase health and accident insurance. Students choosing an insurance plan other than the university sponsored plan must present a completed and signed/certified Alternative Insurance Waiver Form to the Student Medical Insurance Office in 110 Student Services Building before they can enroll in classes.

Visa eligibility documents will not be mailed to you until you complete all requirements as outlined on our websites for:

Blacksburg students

National Capital Region students

Exchange students

Once again, it is my pleasure to welcome you to Virginia Tech!

Sincerely,

Aimée M. Surprenant, Ph.D.

This Admission Certificate is your notification that you have been admitted to the Graduate School at Washington State University to work for the Master of Science in Computer Science via Pullman campus. You have been assigned Non Resident status.

Your admission is valid for 2022 Fall Semester. Classes begin on August 22, 2022. If you do not enroll and complete 2022 Fall Semester, you must reapply for admission.

Please logon to myWSU to accept your admission and view your registration appointment. You must accept your admission in order for the system to generate a registration appointment. Generally, registration appointments are not available for viewing until May 1 for Fall semester and December 1 for Spring semester. Also refer to the enclosed web information sheet for registration instructions. Most departments require a consultation with the graduate student coordinator or special departmental placement examinations before new students are allowed to register for classes. New graduate students must contact their academic department before attempting to register.

Your admission is contingent upon receipt of an official transcript and/or degree certificate from:

- Shri Bhagubhai Mafatlal Polytechnic
- University of Mumbai

Please contact the Office of the Registrar at each institution listed above and have an official transcript sent directly to the Graduate School. Please do not send the transcript yourself because a transcript which is issued to the student is not considered official. For students who have attended international schools, you may also be required to submit an official copy of your degree certificate along with the official transcripts. To view required documents from each institution please logon to myWSU and navigate to admissions requirements in student center.

You are required to check in with the Office of International Students and Scholars during orientation; which is the week prior to the beginning of class. If you are unable to attend orientation, please report to the Office of International Students and Scholars upon arrival. If for any reason you are not able to attend Washington State University for the semester indicated on your I-20, please notify us and return the I-20. If you wish to attend Washington State University for a later semester, you must re-apply for admission.

Congratulations and welcome to Washington State University.

Sincerely,

Lisa M. Gloss, Ph.D.

Dear Rucha Manoj Kulkarni,

Congratulations! I am pleased to inform you that you have been accepted to the Master of Science in Artificial Intelligence and Innovation (MSAII) degree program in the Language Technologies Institute of the School of Computer Science at Carnegie Mellon University, starting with the Fall 2022 semester.

The MSAII program is designed to develop the mental flexibility and technical skills that are required to solve hard problems in any field that deals with complex systems. Our students acquire technical skills such as software development, big data analytics, machine learning, information retrieval, content management, text and data mining, and artificial intelligence techniques such as speech recognition, neural networks and deep learning.

For additional information regarding your admission to the MSAII program, please visit this link
<https://msaaii.cs.cmu.edu/additional-information-admitted-students>

Graduate student tuition for the 2022-23 academic year is \$26,900 per semester. In addition to tuition, graduate students must pay several fees assessed by the university – the Port Authority fee, Technology fee and Activities fee. The program requires four semesters of study. An internship is required during the summer between the second and third semesters.

There are additional costs for the summer semester before you first arrive on campus. The required 6-unit 15-513 “Introduction to Computer Systems” course is delivered remotely and there will be a fee charged for this course. If you have sufficient background in Python, you may instead take 11-637, “Foundations of Computational Data Science,” which is also 6 units. You must take, and pass, one or the other. We will notify you of the fee as soon as possible. This 6-unit tuition fee will be due by May 16, 2022. You may take the course Pass/No Pass (the equivalent of Pass/Fail). If you do not pass the course, you will be required to take it on campus after you arrive in addition to all your other courses.

If you have not already sent your GRE and/or TOEFL scores prior to enrolling (if you took them), please send them to the following:

GRE Institution code, 2074; Department code, 0402.
TOEFL Institution code, 4256; Department code, 78

Please contact Elizabeth Roberts, emodoono@andrew.cmu.edu, if you have any questions specifically related to test scores.

If you are an international student, you may find some additional information at the Office of International Education at <https://www.cmu.edu/oie/faq/index.html> and more generally at <https://www.cmu.edu/oie/>. For students whose native language is not English, we require that you attend a Language Support Check-In session with the Student Academic Success Center (SASC) in August. You will receive recommendations about services most appropriate for you; we encourage you to take advantage of the language and cultural training that this center offers. For more information about the services offered by the SASC, see their Web site at <https://www.cmu.edu/student-success/programs/language-support/index.html>.

As a member of the Carnegie Mellon community, you will be expected to familiarize yourself with all University policies and comply with them. In particular, please carefully read the Intellectual Property Policy available at <http://www.cmu.edu/policies/administrative-and-governance/intellectual-property.html>. You must electronically sign an Intellectual Property Policy Agreement Form, which can be accessed at www.cmu.edu/policies/forms-and-documents/intellectual-property-agreement-form-2013.pdf.

All Carnegie Mellon students are required to have health insurance, and will be automatically enrolled and charged for Carnegie Mellon student health insurance through Highmark Insurance unless a waiver is requested and granted. Please visit the University Health Services website at <http://www.cmu.edu/health-services/student-insurance/> for additional information.

All members of the University are required to complete a Sexual Harassment Awareness training course when they first join our community, and periodically thereafter. Our online training helps to ensure a respectful and productive workplace at Carnegie Mellon. You will receive an email when you have been registered to take the online training with access instructions. You are expected to complete the training program within one month after receiving the email notification. Additional information about the training can be found at <http://www.cmu.edu/hr/professional-development/learn/workplace-training.html>. The University tracks compliance with this training requirement.

We realize that this is an important decision for you and that you need time to evaluate your options. However, we must have your decision by March 31, 2022. If you accept our offer of admission, **you must submit a non-refundable reservation fee of \$500**, which will be credited to your Fall tuition. Please use this form to accept your admission and pay the non-refundable \$500 deposit. <https://applygrad.cs.cmu.edu/replyform/home.php?unit=102> If you do not submit a reservation fee, your place in the entering class may be forfeited and reassigned to another applicant.

If you have any questions about admissions and enrollment procedures, you may contact Amber Vivis, whose email address is albrown@andrew.cmu.edu.

On behalf of the program, the School of Computer Science, and Carnegie Mellon University, I offer to you our sincere congratulations on being admitted to this highly selective program. I hope you will join us in the Fall semester of 2022 as a new graduate student. I am excited that an applicant of your exceptional caliber has been accepted!

Dear **SANJANA ADDAGARLA:**

CAT 2021 User ID: 21183795

Congratulations! We are pleased to offer you admission to the MBA Batch 2022-24 of **Indian Institute of Management Calcutta**, subject to the enclosed Terms and Conditions (Link: <https://drive.google.com/file/d/1eXRhlyK68IL1Cy0CDRWeNWKvg9W95z15/view?usp=sharing>) and fulfilment of all eligibility criteria.

The Registration/Orientation Program and Freshers' Welcome are tentatively scheduled to begin on 13 June 2022. Coursework sessions are planned to commence on 20 June 2022.

In case you have been asked to attend the Academic Assimilation Workshop (AAW) before the regular classes begin, a separate communication will follow with the details and schedule of the workshop.

The total fees for the MBA Batch 2022-24 is Rs. 25,00,000/- (Rupees Twenty Five Lakh only). In addition, you will have to pay a refundable caution deposit of Rs. 20,000/- (Rupees Twenty Thousand only) at the time of Registration. The hostel mess fees are not included in this amount as it is based on actuals.

Financial assistance is available in the form of scholarships to the eligible students. Those students whose family income is less than a specified amount per annum (subject to meeting additional criteria) are eligible for 'Need based financial assistance' (NBFA). More details in this regard shall be available from the MBA Program Office after completion of the registration formalities. Also, various banks provide loans to students at a concessional rate of interest.

Selvam

Please confirm your acceptance of this offer of admission by sending the enclosed acceptance form, i.e. Enclosure-I, (Link: <https://drive.google.com/file/d/1eXRhlyK68IL1Cy0CDRWeNWKvg9W95z15/view?usp=sharing>) , duly filled in. The hard copy should be mailed to the Admissions office, and a scanned copy should be sent to mbaadmissions@iimcal.ac.in

You are requested to pay the acceptance fee of **Rs. 1,00,000/-** (Rupees One Lakh only) online through the following link:

<https://www.iimcal.ac.in/check-results/iim-calcutta-mba-program-202224-admission-offer-status>

Once you have made the payment, you are requested to share the transaction ID of your payment while filling up the acceptance form. Also, please attach the soft copy of your payment receipt in the same email while submitting the soft (scanned) copy of your acceptance form.

The last date of payment and submission of acceptance form is May 24, 2022, failing which, the offer of admission, sent herewith, shall stand withdrawn without any further communication.

Admission status: Full Admission *

Degree Program: Master of Computer Science (MR) - On-Campus

Intended enrollment term: Fall 2022

Tuition Classification: Out-of-state

Unity ID: kgala2 ([Click here to learn more about your Unity ID.](#))

Once you have used your unity ID to login to an NC State system, you may need to sync your password, if you are not able to [log in here](#) to learn how to sync your password.

Admission Information: Please review the [new student checklist](#) for important information to get you started in your graduate education at NC State!

Students are admitted to a specific semester or summer term. If you wish to request a deferral of your admission, you must notify the graduate program to which you applied. Your program must then send a written request to the Graduate School asking that your admission date be changed. If this request is approved, your online admission letter will be updated and you will be notified. Please note that admission may be deferred no more than one year beyond the original entry semester/year noted above. You have up to one year from original application submission date to request a deferral. Important information regarding registration is available at the following website: <https://studentservices.ncsu.edu/your-classes/registration/>.

Enrollment Information: Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$500 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline for payment

Immunization Record and Report of Medical History: Submit your Report of Medical History to Student Health Services immediately upon acceptance to ensure you are in compliance with North Carolina Immunization law. We strongly encourage new students to submit records of required immunizations online at <https://sso.medicatconnect.com>. Check your NCSU e-mail for updates.

Transcripts: Please make sure that you have sent the Graduate School official transcripts of all coursework taken and all degrees awarded at any institution of higher learning that you have attended. If you are currently enrolled at such an institution, upon completion of your program there, you should ask the registrar to send the Graduate School an updated official transcript covering all work completed and a statement of any degree awarded, including the date awarded. All transcripts should be submitted prior to your enrollment at NC State.

Therefore, you that you have been granted admission to the Computer Science - Professional MS program at the University of Colorado, Boulder beginning Fall 2022. For tuition classification purposes you are considered a Non Resident. Your official start date is August 22, 2022. International students are recommended to arrive at least two weeks before classes start.

As a CU Boulder student, you will join a community of faculty, staff and students committed to outstanding scholarly achievement, diversity and collaborative research that will prepare you to be a leader in your field. CU Boulder works to create a diverse, equitable and inclusive campus community. We believe that how we treat each other matters. Our success as a campus community relies on mutual respect and collaboration. We invite you to read more about our values.

Academics

The Graduate School allows FOUR years to complete the master's degree requirements, however, our students typically take two to two and a half years to complete the degree requirements. The academic program is generally organized across 2 years. Details about the curriculum, requirements, and structure of the program can be found at <https://www.colorado.edu/cs/students/graduate-students>. Please feel free to consult with Graduate Program Manager, Rajshree Shrestha, at Rajshree.shrestha@colorado.edu concerning matters related to your graduate studies here. Upon arrival in Boulder, please make sure to meet with Rajshree Shrestha, and work with her to fill out the MS/MSCPS Plan of Study and submit it by the end of your first year.

Costs

Student Tuition

Each year students must pay tuition based on the number of credits they are enrolled in, in any given semester. Tuition rates are based on the degree program and option you are admitted to and on your Colorado residency status. Please check details about the tuition at the Bursar's Office website:

- If you are a research-based MS student, please check the Engineering Rate Sheet based on

S. Shinde

your in-state or out-of-state residency status.

- If you are a Professional MS student (course-based MS), please check the Professional Master's in Engineering Rate Sheet based on your in-state or out-of-state residency status.

Residents should reference the 'Colorado Resident' rate sheets and out-of-state residents or international students should reference the 'Nonresident & International' rate sheets.

Student Fees

Each year you will be responsible for paying out of pocket costs for a number of student fees, such as capital construction, recreation center, and bike program, student computing, athletic fee, mental health resource fee, career services fee, arts and cultural enrichment fee, student information system fee, Wardenburg additional campus care plan, and grad fee, which totals to approximately \$866.29 per semester (based on AY 21-22 rates) for students taking 7 or more credits. There is also a one-time new student fee of \$62.00 for all students, and international students will have an ongoing \$40.00/semester immigration compliance fee. These fees provide you access to a variety of amenities on campus, including an unlimited use of the Recreation Center, resources through the Career Services Office, and much more. A tuition and fees estimator, as well a list of all due dates can be found on the Bursar's Office website.

Health Insurance

The standard insurance, CU Student Gold Health Insurance Plan, available for graduate students typically costs \$1,948.00 per term (based on previous rates). Please know as a student at the University you are REQUIRED to get health insurance either through the university or elsewhere.

Funding

Our departmental funding (TA/RA) is mainly reserved for our PhD students who are admitted with a funding commitment. For that reason, our master's admissions does not include any departmental funding, scholarships or fellowships.

Acceptance of Offer of Admission

On your status page you will find a link with information regarding additional visa requirements needed to confirm your admission. If you have any questions about these requirements please contact the international admissions office by emailing intlgrad@colorado.edu. Once all visa requirements have been submitted and reviewed, you will be able to confirm your intent to enroll and pay the \$200 confirmation deposit on your application status page. Please note that forms such as the I-20 document will be issued through International Admissions. It can take up to six weeks to receive the letter and documents if your letter is being mailed to an address outside of the U.S.

Because of our policy of limited admission, we would appreciate a response from you, by confirming your intent to enroll on the application status page and by emailing Rajshree.Shrestha@colorado.edu by May 31, 2022. However, please be aware that Fall 2022 class enrollment begins on April 25, 2022 and since CS classes are very popular, it will be to your advantage to confirm your intent to enroll before enrollments begin to ensure class enrollment. Please note that your intent to enroll is only confirmed after you have paid the enrollment deposit.

Please work with your academic advisor to fill out the MS/MSCPS Plan of Study and submit it to the

2395

graduate Advisor by the end of year one. On behalf of our faculty, we congratulate you on your promising academic record. We sincerely hope that you decide to join us at the University of Colorado, and we wish you the best of success in your continued professional development. Our program, faculty, and students are outstanding, and we think you will find that the University of Colorado provides an exciting environment for your graduate work. If you have any questions concerning your admission, or any other aspect of the graduate program, please do not hesitate to contact Rajshree Shrestha. We very much hope you will accept our offer of admission to the University of Colorado Boulder and look forward to your joining our department next fall!

Sincerely,

Dear Mohammad Anas Mudassir,

We have received your decision to accept admission to the Master of Science program in Computer Science and Engineering at UC San Diego for 2022 Fall. We are thrilled by your decision and look forward to you joining us as a valued member of the UC San Diego community.

Please review the information on the admitted student checklist at <http://grad.ucsd.edu/admissions/admitted-students/do-immediately.html> to learn about requirements you must complete prior to the start of your program. The site also contains helpful tips for a smooth transition to your new graduate program at UC San Diego. Please wait at least 48 hours after accepting admission to complete any of the checklist items. This will allow the campus system to update appropriately.

You will also need to return to your student portal at <https://connect.grad.ucsd.edu/status> to review the “Pending Admission Documents” section that lists the official documents needed by Graduate Division to finalize your admission. Please submit any pending documents and information to Graduate Admissions as soon as possible.

It is expected that all in-progress degrees and/or coursework will be completed before you begin studies at UC San Diego. Please submit official academic records once all coursework has been completed and your degree has been conferred. Failure to submit required documents by Friday of the fourth week of your admitted quarter will result in a hold on future registration until the documents are provided. If for any reason you anticipate that your in-progress degrees and/or coursework will not be completed before you begin your studies at UC San Diego in 2022 Fall, please contact gradadmissions@ucsd.edu immediately.

For questions regarding your graduate program, registration, funding, or other inquiries, please contact your department directly.

The Graduate Division looks forward to working with you throughout your graduate program.

Kind regards,

Dear Krushna Chirag,

It is our pleasure to inform you that you have been admitted for graduate study at the University of California, Santa Barbara. Chancellor Henry T. Yang and I congratulate you and know that your academic studies will be both exciting and rewarding.

You have been admitted for Fall 2022 to the Department of Computer Science for:

- Master of Science (MS) in Computer Science (CMPSC)

Your student perm number is 8238461.

UC Santa Barbara's faculty, staff, student groups, and alumni look forward to working with you throughout your graduate career. Whether in class, through research, in writing, or in conversations, we eagerly await your contributions to our campus.

Your admission to UC Santa Barbara is "provisional," pending the receipt of the following document(s):

Final/Official transcripts and degree certificate with Bachelor of Technology degree and date of conferral posted from U MUMBAI (Sardar Patel Institute of Technology)

Provisional admission is very common for incoming graduate students and indicates that your enrollment is contingent upon submitting the document(s) listed above. Please provide the Graduate Division with these documents by September 1st in order to prevent a block on your registration. Please send these items to the following address:

Graduate Division
Attn: Graduate Admissions

Dear Ravi Vivek Agrawal,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (3320-5243-48) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold

Dear Ms Chaluvadi

Congratulations! It is with great pleasure that we inform you of your admission to graduate studies at ETH Zurich.

Programme: Electrical Engin. + Information Technology MSc
Regular duration of studies: 120 ECTS credits
Additional requirements: none
Welcome day: Monday, 19 September 2022
Lectures commence: Tuesday, 20 September 2022
Maximum duration: 8 semesters, beginning in Autumn Semester 2022. Therefore, in order to qualify for the Master's degree you must complete all programme requirements by the end of Spring Semester 2026.

Conditional offer

The following admission conditions apply to your offer and must be fulfilled by submitting your official/original graduation documents until the beginning of the semester (calendar week 38) at the very latest:

- Degree certificate obtained (BTech in Electronics and Telecommunications Engineering)

Legal basis

We recommend consulting the legal basis for your degree studies at ETH Zurich in the Legal Collection and in the Directives Collection of the Rectorate.

Accepting the place

Please confirm whether you wish to accept your offer in eApply until **the end of April 2022** at the latest. Please also indicate if you do not accept the place. After that date your offer will expire.

Registration and enrolment

After having accepted your place, you will receive your confirmation of registration to download in eApply. There you will also find further information on the pending registration documents required for enrolment. Furthermore, you may use this letter for official purposes (e.g. requesting a visa).

You will receive your personal access data for the IT services at ETH Zurich as well as your student card and the extended confirmation of matriculation from the Registrar's Office after the enrolment.

We encourage you to visit our website for further information on your next steps in becoming a student at ETH Zurich. The website also provides a collection of FAQ as well as a checklist for incoming Master's degree students. We also recommend reading student blogs and your programme's websites to learn more about studying at ETH Zurich.

Once again, we extend our congratulations on your admission and we look forward to welcoming you as our student at ETH Zurich in September.

Kind regards,

ETH Zurich

Dear Chinmayi,

I am pleased to inform you that you have been admitted on a provisional basis with the stipulations below to the Management Information Systems (MS) graduate program for the Fall 2022 term.

As you prepare to accept this offer, please review the following requirements and provisions:

OFFICIAL DEGREE CERTIFICATE/DIPLOMA

You are required to have your current university **submit an official degree certificate/diploma showing you have completed your current degree program** as a condition of your admission and enrollment. This document must be received prior to the end of your first semester of graduate study at OSU.

ADMISSION TERM

Please note that your admission is valid for the **Fall 2022** entry term only. If you do not enroll for this semester, you may be required to submit a new application. Please refer to the OSU Academic Calendar for when courses begin. You should also be in regular contact with your program about your initial enrollment.

ADMISSION PROVISIONS

You have been **admitted on a provisional basis** with the following stipulations: (if not listed, please contact your program for specifics)

Must provide proof of completing Bachelor's degree prior to beginning classes

RESIDENCY STATUS

Based on the information provided in your application, you have been classified as **International (I)**. If you believe that this classification is incorrect, please complete the Petition for Oklahoma Residency and submit it to registrar@okstate.edu.

I am confident that the time you spend in association with the faculty and graduate students at Oklahoma State University will help you achieve your professional and personal goals. It is my hope that you will accept this offer of admission. If the Graduate College can assist you further, please do not hesitate to contact a member of our admissions team at 405-744-6368.

Zulassungsbescheid Communications Engineering Masterstudium [Master of Science] Wintersemester 2022/23, Einstiegssemester 1

Sehr geehrter Herr Karan Deepak Kedia,

wir freuen uns, dass wir Sie für den oben genannten Studienplatz zulassen können. Als nächsten Schritt möchten wir Sie bitten, Ihren Studienplatz in Ihrem TUMonline Bewerberkonto anzunehmen. Die Studienplatzzannahme ist Voraussetzung für die Einschreibung (Immatrikulation) an der Technischen Universität München.

Sofern Ihre Unterlagen (siehe Dokumentencheckliste) noch nicht vollständig sind, bitten wir Sie, diese baldmöglichst an das Immatrikulationsamt zu schicken.

Ferner bitten wir Sie die Zahlung von Beiträgen und/oder Gebühren zu tätigen. Wichtige Informationen zu den Überweisungsformalitäten, dem Verwendungszweck und der Höhe der Beiträge/Gebühren finden Sie nach der Annahme des Studienplatzes auf Ihrer Statusseite im Bewerberkonto unter dem Menüpunkt Einschreibung. Wir weisen darauf hin, dass diese Zahlung sich ausschließlich auf die Aufnahme des beantragten Studiums im Wintersemester 2022/23 bezieht.

Sobald Sie Ihren Studienplatz angenommen haben und Ihre Unterlagen sowie Ihre Zahlung vollständig und fristgerecht bei uns eingegangen sind, werden wir Sie endgültig immatrikulieren und Ihnen schnellstmöglich Ihre Studienpapiere zur Verfügung stellen. Bitte beachten Sie, dass Sie für die Anmeldung zu Lehrveranstaltungen immatrikuliert sein müssen.

Das Wintersemester 2022/23 beginnt am 1. Oktober 2022 und endet am 31. März 2023. Die Vorlesungen finden vom 17. Oktober 2022 bis zum 10. Februar 2023 statt.

Für Ihr Studium an der Technischen Universität München wünschen wir Ihnen viel Erfolg!

Mit freundlichen Grüßen

Letter of admission Communications Engineering Master's program [Master of Science] Winter semester 2022/23, Entrance semester 1

Dear Mr. Karan Deepak Kedia,

We are pleased to inform you that you have been admitted to the program specified above. If you wish to accept this offer of admission, you must do so officially in your applicant account in TUMonline. Your official acceptance of this offer of admission is a prerequisite for enrollment at the Technical University of Munich.

If you have not submitted all documents (see document checklist in your TUMonline account), please send any missing documents as soon as possible to the Student Admission.

You must also submit payment for required fees and/or charges. You will find detailed information on the bank transfer procedure, how to indicate payment purpose and the amount payable on the status page of your applicant account under the enrollment tab, after you have accepted the offer of admission in TUMonline. Please note: The payment of student fees/charges applies to the specific program to which you have been admitted for the Winter semester 2022/23.

As soon as you have accepted the offer of admission in TUMonline and we have received all required documents and payments we will be able to finalize your enrollment and make your enrollment documents available to you in TUMonline. Please consider, that you must be enrolled to register for courses.

The Winter semester 2022/23 starts on 1. October 2022 and ends on 31. March 2023. Lectures are held from 17. October 2022 until 10. February 2023.

We wish you the very best for success in your studies at the Technical University of Munich!

Sincerely,
Student Admission

München, 3. März 2022

Zulassungsbescheid Communications Engineering Masterstudium [Master of Science] Wintersemester 2022/23, Einstiegssemester 1

Sehr geehrter Herr Kaustubh Venkatesh,

wir freuen uns, dass wir Sie für den oben genannten Studienplatz zulassen können. Als nächsten Schritt möchten wir Sie bitten, Ihren Studienplatz in Ihrem TUMonline Bewerberkonto anzunehmen. Die Studienplatzannahme ist Voraussetzung für die Einschreibung (Immatrikulation) an der Technischen Universität München.

Sofern Ihre Unterlagen (siehe Dokumentencheckliste) noch nicht vollständig sind, bitten wir Sie, diese baldmöglichst an das Immatrikulationsamt zu schicken.

Ferner bitten wir Sie die Zahlung von Beiträgen und/oder Gebühren zu tätigen. Wichtige Informationen zu den Überweisungsformalitäten, dem Verwendungszweck und der Höhe der Beiträge/Gebühren finden Sie nach der Annahme des Studienplatzes auf Ihrer Statusseite im Bewerberkonto unter dem Menüpunkt Einschreibung. Wir weisen darauf hin, dass diese Zahlung sich ausschließlich auf die Aufnahme des beantragten Studiums im Wintersemester 2022/23 bezieht.

Sobald Sie Ihren Studienplatz angenommen haben und Ihre Unterlagen sowie Ihre Zahlung vollständig und fristgerecht bei uns eingegangen sind, werden wir Sie endgültig immatrikulieren und Ihnen schnellstmöglich Ihre Studienpapiere zur Verfügung stellen. Bitte beachten Sie, dass Sie für die Anmeldung zu Lehrveranstaltungen immatrikuliert sein müssen.

Das Wintersemester 2022/23 beginnt am 1. Oktober 2022 und endet am 31. März 2023. Die Vorlesungen finden vom 17. Oktober 2022 bis zum 10. Februar 2023 statt.

Für Ihr Studium an der Technischen Universität München wünschen wir Ihnen viel Erfolg!

Mit freundlichen Grüßen

Dear Kshitij Harish Parab,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Applied Data Science within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (9459-5664-32) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button.

Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Dear Adwait Kaundanya,

On behalf of the Graduate School of Virginia Tech, I am pleased to inform you that based upon the recommendation of the Electrical Engineering faculty, we can offer you admission to the Master of Science in Electrical Engineering program for Fall 2022 at the Blacksburg campus. Congratulations!

If you have not already done so, please provide an official final transcript(s) indicating that prior degree work has been completed and any applicable official test scores prior to enrollment. You may have your prior institution send the final official transcript electronically to grads@vt.edu or by postal mail to: Graduate Admissions | 155 Otey Street | 120 Graduate Life Center | Blacksburg, VA 24061-0325. Please contact your academic department for further information regarding your admission, including any necessary prerequisites.

At Virginia Tech, we are committed to providing you with a quality graduate education that is intellectually stimulating and professionally focused. We believe in building a strong graduate community. During your graduate study at Virginia Tech, you will have many opportunities to participate in both academic and social activities. I look forward to welcoming you individually to the Virginia Tech graduate student community. Please let us know if you will accept our offer of admission by completing the Offer of Admission Reply form found on your student portal page.

As you prepare for your studies at Virginia Tech, I encourage you to review our comprehensive online New Student Guide.

I know that financial assistance is of concern to most graduate students. It is important that you contact your department directly regarding assistantships and other funding questions. You may also visit the Office of Scholarships and Financial Aid to identify types of financial aid for which you may be eligible to receive.

- The Free Application for Federal Student Aid (FAFSA) is the application for federal student loans and is available January 1st at www.fafsa.gov for US citizens and permanent residents.
- You may file the FAFSA with estimated tax figures if you have not submitted your federal tax return.
- The Office of Scholarships and Financial Aid recommends you submit the FAFSA by early May to give them time to process your financial aid.

To access VT information and services, you will need a Personal Identifier (PID). Your PID and password grant access to e-mail, online course materials (Canvas), Hokie SPA (course registration), My VT (portal system), the university library databases, and more. The Graduate School and many departments communicate with you via your Virginia Tech email account that is accessed with your PID. Please promptly create your PID. Your student identification number, needed to create a PID, is: 906550735. Please allow 24 hours for our systems to

update before creating your PID.

Residence status for tuition purposes is initially determined at the time of your admission application submission. Your residence status has been determined to be Out of State. If you believe your residence status is inaccurate, please contact the Graduate School immediately. It is your responsibility to ensure your tuition billing is accurate each semester.

We want to share some additional information with you regarding immunization and health insurance.

1. All Blacksburg campus full time students must meet state immunization requirements. Visit the Schiffert Health Center website for details and a downloadable immunization history form that must be completed one month prior to arrival at Virginia Tech.
2. Virginia Tech offers a health insurance plan that can be purchased by students who are enrolled full-time. Please visit the Health Insurance website for information detailing plans available through a discounted rate negotiated by Virginia Tech.

All international students are required to purchase health and accident insurance. Students choosing an insurance plan other than the university sponsored plan must present a completed and signed/certified Alternative Insurance Waiver Form to the Student Medical Insurance Office in 110 Student Services Building before they can enroll in classes.

Visa eligibility documents will not be mailed to you until you complete all requirements as outlined on our websites for:

Blacksburg students

National Capital Region students

Exchange students

Once again, it is my pleasure to welcome you to Virginia Tech!

Sincerely,

Aimée M. Surprenant, Ph.D.
