**POLYTECHNIQUE
MONTREAL**

UNIVERSITÉ
D'INGÉIERIE

January 13, 2021

Ms. Siddhika Arunachalam
C/S03, N.G. Garden
Gaurav Garden Complex, Kandivali (W)
Mumbai 400067
INDE

Date of birth : 1997-10-13
ID Number : 2125337

Dear Madam:

After reviewing your application and on the recommendation of the Director of Graduate Studies, we are pleased to offer an admission to the doctoral program at Polytechnique Montreal.

The terms of this offer are as follows:

Term of admission:	Fall 2021
Condition:	Proof of successful completion of your last degree with the cumulative GPA requested
Program:	PhD in Computer Engineering
Program features:	3 rd cycle, full-time, 90 credits
Normal duration:	4 years (maximum 5 years)
Research Director:	Professor Farida Cheriet
Term starting date:	August 30, 2021

Validity of the offer. This letter of admission to the doctoral program remains valid for the Winter 2022 Term (*starting January 10, 2022*) and the Summer 2022 Term (*starting May 9, 2022*). If applicable, your department will send you a letter explaining the specific conditions of your admission and/or financial support.

Accept the offer. To accept this offer, you must access the admission online at admission.polymtl.ca, at "Track your applications".

Tuition fees. Polytechnique Montreal is proud to offer you a substantial foreign student fees exemption. Thanks to its doctoral student program, the cost of your fees will be approximately \$1,400 (Canadian dollars)* per term (instead of \$7,300). Conditions apply to renew the scholarship after four terms, please see the annex of this letter for details.

Insurance. Québec law requires foreign students to have valid health insurance in Quebec. Polytechnique Montreal has a mandatory group health insurance policy for all enrolled students. The annual cost of this coverage is added to the tuition bill and the amount is approximately \$1,000 (Canadian dollars).

International students. Upon arrival, you should provide the following documents:

- A valid third cycle Quebec Acceptance Certificate (CAQ), delivered by the Government of Quebec;
- A valid third cycle study permit, delivered by the Government of Canada;
- A valid passport for the entire duration of your study permit.

Also, make sure to keep an original official letter to present to a Canada Customs official, if requested.

Registration required. A few weeks before classes begin, you will have to register online via your student file. All necessary information will be sent to your personal e-mail address indicated in your student file.

Student file. To have your personal code and password that will allow you to access your online student file, visit: dossieretudiant.polymtl.ca.

We look forward to welcome you.

Marie-Ève Chiasson

Aditi Raj Kandoi

1104, Asmita Sand Dunes, Sunder Nagar, Malad West
Mumbai, Maharashtra

Dear Ms. Aditi Raj (Aditi) Kandoi,

We are pleased to offer you admission to pursue graduate study in the for Full Time Attendance Status study for the Fall 2021 Term. We are delighted that you elected to apply to Stony Brook and believe that you will be very satisfied with both the academic and social climate here. We feel that your presence here will contribute to our well-established reputation for excellence in graduate education.

This offer does not include financial support for you in your first term. Please contact the Financial Aid Office to ensure that you have applied for any other assistance such as College Work-Study, Student Loans, etc., for which you might be eligible. We would appreciate knowing whether or not you wish to accept this offer as soon as possible, but no later than April 15, 2021.

As a newly admitted student, you are also required to view the online orientation podcasts and acknowledge you have successfully done so in your SOLAR account (found under "Holds" in the "Action Center" section). The online orientation podcasts can be found under the New and Current Students tab on the Graduate School website.

To accept your offer, please click here. <<https://graduateschool.stonybrook.edu/apply/status>>

Please note, the deadline to accept this offer is: 2021-04-15

Sincerely,

Director of Graduate Studies
Computer Science MS

Office of the Dean

February 24, 2022

Mohit Bhat
R-1/24, Kalash Udyan, sec-11, Koparkhairne

Navi Mumbai, Maharashtra 400709

Dear Mohit Bhat:

I am pleased to inform you that you have been accepted for admission into Mays Business School's Master of Science Program in Management Information Systems. Your admission is effective for Fall 2022 and is contingent upon successful completion of the program's prerequisite courses. In order to satisfy the program's prerequisites, you must earn a grade of C or better in each course.

Please see the two attachments at the bottom of this email for additional information and action items. You will also receive two subsequent emails - one directly from the Department of Information and Operations Management Student Services Office (SSO) including a list of outstanding prerequisites (if any) and another from the University providing your Universal Identification Number (UIN) and the instructions for formally accepting the offer of admission.

Please be sure to submit all requested documentation promptly to avoid processing delays. If you have any questions or concerns regarding your acceptance, please contact the program office at infostudentservices@mays.tamu.edu or (979) 845-0811.

Please accept my sincere congratulations on your acceptance for study in this graduate program at Mays Business School. The Mays faculty and I wish you every success in your future endeavors.

Sincerely,

2605

Salunke

OFFICE OF ADMISSION

15

March 4, 2022

Anish Abhay Dixit

301, Saurabha Chs, A/16, Gokuldham
Goregaon East, Mumbai-400063
Mumbai, In-Mh, 400063,
India

Dear Anish Abhay Dixit,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science (Data Science) within the Andrew and Erna Viterbi School of Engineering for Fall 2022. Your degree objective is the Master of Science. Please include your USC ID (6914-3355-01) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button.

Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

TERM: Fall 2022
MAJOR: Computer Science (Data Science)
DEGREE: Master of Science
SCHOOL: Andrew and Erna Viterbi School of Engineering

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.i erf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Mumbai, Maharashtra 400052
India

1b

Dear Arya,

On behalf of Carnegie Mellon University and our Admission Selection Committee, it is my great pleasure to offer you admission to the Master of Information Systems Management program. You have been selected to enroll in the MISM 16-month track with Concentration in Business Intelligence and Data Analytics beginning ~~on~~ August 2022. Your notable accomplishments, both academic and non-academic, have set you apart and established your potential as a leader and an agent of positive change.

Please respond to our offer of admission by completing the online **Admission Response Form** by **April 15, 2022**. Your Admission Response Form is available on your application status page (near the bottom of the page). Heinz College reserves the right to require all admitted students to successfully complete the Credentials Verification Process to be eligible to enroll. Additional information regarding this step of the enrollment process is posted on the website for admitted students mentioned below.

Unfortunately, we are unable to offer you any financial assistance at this time. If you have not made arrangements for financing your education, I encourage you to visit the financial aid section of our website for more information.

We have created a website for all of our admitted students (<https://www.heinz.cmu.edu/admitted-students/full-time/>). Visit the site to learn more about your offer of admission, the Credential Verification Process, the student visa application process for international students, and preparing for your first semester of study. You are responsible for completing the Credential Verification process and returning all applicable forms in a timely manner.

After submitting your response form, a nonrefundable, nontransferable deposit of \$1500 must be paid either online (via credit card) or by mail (via check or money order) in order to secure your position in the program. Please make your check or money order payable to "Carnegie Mellon University" (please mail to the Office of Admissions). The credit card payment method may be completed via a secure website (<https://commerce.cashnet.com/CMU151?itemcode=151-HNZ-1500>). The admission deposit payment is required in addition to completing the Response Form. After you have paid this fee, you will see the payment reflected on your application status page. Once you have enrolled in your first semester of classes, the admission deposit will be credited to your student account.

You will receive an invitation (by email) to attend our Admitted Student Open House events: virtual events April 4-7, 2022; in-person events on April 8 - 9, 2022 ([more information online](#)). If you are interested in learning about the Carnegie Mellon campus, meeting current students, faculty, staff and administrators, and in

Email: admissions@iimk.ac.in

19

Dear **MUSKAN MANOJ SAHU**,

Greetings from IIM Kozhikode!

We are pleased to inform you that you have been **provisionally** selected for admission to the Post Graduate Programme in Management (2022-2024) at the Indian Institute of Management Kozhikode. However, the validity of this offer of admission is subject to your fulfillment of all the eligibility requirements for admission to Post Graduate Programme of IIMK as stated in the admissions policy for PGP 2022-24 batch.

The submission of following documents is mandatory for the completion of offer acceptance:

1. Offer Acceptance Form(duly completed and signed)
2. Online fee payment receipt for an amount of ₹1,00,000/- (Rupees One Lakh only) as advance payment towards 1st term fee.
3. The course completion certificate (in case you are yet to graduate) issued by the Head of the Department of your Institute/University in the format attached.

The cut-off date for receipt of scanned copy of the offer acceptance form, online fee payment receipt and course completion certificate in the portal is 22-May-2022 23:59:00. In case of non-receipt of the documents by the specified time, your offer will be forfeited and next candidate from the waiting list will be offered admission. No further correspondence in this regard will be entertained.

A detailed joining instructions for registration in the PGP at IIM Kozhikode will be available online before the registration at the admissions page of IIMK website. Please log in using your credentials to view the joining instructions.

Please note that if at any later stage it is found that you have not fulfilled any of PGP admission requirements of IIM Kozhikode, your admission is *ipso facto* liable to be cancelled.

Please also note that you have been **provisionally** selected for admission to our Post Graduate Programme under **General Category**.

We are looking forward to your joining our Institute.

Yours sincerely,

Chair: Admissions

Amboli, Andheri (West)
Mumbai, Maharashtra 400058
India
manearthavo3@gmail.com

31

Dear Mr. Arthav A. Mane,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2021 semester to the degree of Masters of Science in Computer Science & Engineering.

This letter constitutes a recommendation of admission only. If you do not receive a separate financial aid offer with this letter, we are not able to offer you assistance at this time. However, all applicants are evaluated for possible financial assistance on a regular basis and we will contact you if aid becomes available at a later date. Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Computer Science & Engineering Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Office of Graduate Education

Sincerely,

Kemper Lewis, PhD, MBA
Dean, School of Engineering and Applied Sciences
University at Buffalo

Immunization requirements:

In accordance with New York State Public Health Law, UB requires that all students (undergraduate, graduate, professional) born on or after January 1, 1957 provide proof of immunity against measles, mumps, and rubella. The state also requires that all students receive information about meningococcal disease and have made an informed decision about whether or not to receive immunization against meningococcal disease. UB students will not be allowed to register for classes until they have fulfilled these requirements. To learn more, visit <http://bit.ly/32kTA2Q>

Additional requirements for International applicants:

Upon final approval of your credentials in the Office of International Admissions, your I-20, along with information on housing and other appropriate items, will be sent to you directly from the Office of International Admissions. This process will take approximately one month after you have notified us of your acceptance of our offer; please note your application will not be forwarded to International Admissions until we receive your response.

This offer of admission is considered provisional until receipt of an official undergraduate transcript confirming your undergraduate degree conferral. The Office of International Admissions will provide you with instructions for sending these documents to the University at Buffalo.

A handwritten signature in blue ink, appearing to read 'Schmidig', is placed over a blue arrow pointing towards the right.

33

Dear Sameep Vijay ,

It is with a great sense of pride that I welcome you to the University of Maryland's Graduate School. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing, diverse, and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national, and international settings.

I am pleased to offer you admission to the Master of Engineering program in Robotics - Professional for Fall 2021.

Your tuition and charge-differential classification: Out-of-State

Your condition(s) of enrollment:

- Submission of final official baccalaureate transcript(s) from all previous institutions by the end of the first semester of study.

Each required transcript (except from the University of Maryland College Park) must show the date and conferral of the awarded degree. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is required. Future registration will not be possible without the receipt of these documents.

Please follow each step in the [Checklist for New Students](#) to prepare you for your first semester at the University of Maryland. All full-time graduate students are required to have health insurance. If you will not be covered under someone else's plan (a parent or spouse), please explore your health insurance options before the term starts.

It is important to accept or decline this admission offer. Your University ID (UID) is 118218427. You will need this number for registration and other administrative purposes. The [International Student and Scholar Services](#) will contact you directly regarding the visa process.

Again, we welcome you to the University of Maryland, with our best wishes for a successful and rewarding graduate experience.

Sincerely,

Steve Fetter
Associate Provost and Dean of the Graduate School

University ID (UID) is 118218427

Dear Mr. Vishnani:

I am pleased to inform you that you have been admitted to the Graduate School of The University of Texas at Austin for advanced study in Electrical and Computer Engineering.

Your admission is for the Fall Semester, 2021.

Since the founding of the university in 1883, graduate education at The University of Texas has grown in both number of students and quality of programs, and it now ranks among the very best in the nation. I congratulate you on your admission to a very select program, and hope you will decide to join us in pursuing your educational goals at The University of Texas at Austin.

You may learn more about the Graduate School by visiting us online and joining our social networks at <https://gradschool.utexas.edu>.

You may also direct any questions you have to the Graduate Adviser in your graduate program. The Graduate Adviser is a faculty member who represents the faculty governing body for each field of study, the Graduate Studies Committee. A list of graduate advisers is available online at <https://gradschool.utexas.edu/academics/programs>.

I welcome you to the Graduate School and wish you well in your studies.

Sincerely,

Mark J. T. Smith
Dean of the Graduate School
Senior Vice Provost for Academic Affairs

uteid: vbv242

Dear Mr. Vishnani:

We are pleased to inform you that you have been accepted to the Graduate School at The University of Texas at Austin. For specific details, see the information provided at the end of this letter.

Your department will notify you of any conditions that may be imposed on your admission or continued enrollment. You may also be required by the International Office to enroll in additional training in English.

Students admitted to a graduate program at the University are expected to continue high academic standing in any courses completed before they enroll. Failure to obtain the bachelor's degree or its equivalent prior to enrollment at the University will invalidate your acceptance.

You must submit your official transcripts before you will be permitted to enroll (see <https://gradschool.utexas.edu/admissions/after-your-decision>). In order to avoid delays in registering for classes, you should provide these documents as soon as possible. A current student of The University of Texas at Austin is not required to present a transcript of work completed after this acceptance was issued because that record is available to GIAC staff.

For exact registration dates and procedures, consult your graduate adviser or the Course Schedule, available on the web at <http://registrar.utexas.edu/>. For information about medical requirements for newly admitted students, please visit this web site: (<http://healthyhorns.utexas.edu/internationalstudents.html>)

You may begin your enrollment only in the semester indicated below. You should inform your graduate program if you decide not to attend. If you wish to enroll for a later semester, you must reapply for admission by submitting a new application and any additional transcripts or test scores by the deadline for the semester in which you wish to enroll.

It is a pleasure to welcome you as a graduate student to the University of Texas at Austin.

Sincerely,

Deana Williams

Associate Director of Admissions

Admission Term: Fall Semester, 2021

Field of Study: Electrical and Computer Engineering

Classes Begin: August 25, 2021

Conditions: Must provide final official transcript from Sardar Patel University - Mumbai

Must provide official award of Bachelors Degree from Sardar Patel University - Mumbai

2020-21

Mumbai, Maharashtra 401207
India

Dear Lance Vincent,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University at the West Lafayette campus. I am delighted to welcome you to a community of more than 12,000 graduate students on our four campuses who come to us from every state in the Union and from 117 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.psu.edu/gradschool is your source for detailed information about programs and opportunities at our four campuses.

Thank you for choosing Purdue and joining us in the persistent pursuit of the next giant leap.

[Click here to submit your response to the offer of admission.](#)

With best wishes for success at Purdue.

A handwritten signature of Dr. Linda Mason.

Admission Information Sheet for Lance Vincent Fernandes

PUID: [REDACTED]

Term/Year: Fall 2021

Campus: Purdue West Lafayette (PWL)

Graduate Major: Electrical and Computer Engineering

Degree Objective: MS in Electrical & Computer Engineering (MSECE)

Course Delivery: Residential

Academic Advisor: Matt Golden

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Continued Enrollment:

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final official undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original official undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

General Information:

All faculty, staff and students have a career account. You must create a Purdue career account to submit a response to your offer of admission. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access <https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

To log into myPurdue and other portals, a personal Boilerkey will be needed, in addition to your career account username. A Boilerkey is the University's two-factor authentication process, which provides an additional level of security. To create your Boilerkey, visit <https://www.purdue.edu/boilerkey>. For more information, visit the Boilerkey FAQ's.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you must submit your response to your offer of admission. You must submit your enrollment acceptance in the MyPurdue portal to create your general student record for course registration. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:

- Online course registration in real time
- Online credit card payment for tuition
- Access to your academic and financial aid information
- Access to review and update your personal information such as emergency contacts, mailing address, email, ethnicity/race, and gender identity

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue your visa eligibility document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), using the ISS portal. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before visa eligibility document(s) will be prepared and shipped.

In the section labeled "Full Client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to

Purdue University Graduate School • 155 South Grant Street • West Lafayette, IN 47907 • 1-765-494-2800 • www.purdue.edu/gradschool

log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold valid F-1 or J-1 status and are transferring your SEVIS record to Purdue University from another US Institution, our office will advise you on how to complete your SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL, or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation website: <http://tutorial.oec.iu.edu/testing.com/Default.aspx?P=videos>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of an immunization information form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSIS/>.

Housing: Purdue University offers a variety of housing options for graduate students. Single graduate students may want to consider Purdue University Residences, which offer one and two bedroom, furnished and unfurnished apartments. The Purdue residences are limited to one student per bedroom. All apartments include a kitchen with refrigerator and stove. Furnished apartments also include a bed, desk, and dresser for each student. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. More University-endorsed, residential options are available for graduate students, including those with families, through Blackbird Farms II apartment complex. Visit their website for more information.

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 20, 2021, beginning at 8:30 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Questions? Please direct them to your graduate program.

Dear Rugved Mandar Bhise:

We are pleased to offer you admission to the MS program in Computer Engineering at the University of California, Riverside (UCR) for Fall 2021.

We wish to extend your much-deserved congratulations and encourage you to ask any questions you wish about the department, the program, and our university. The academic community in the Computer Engineering department is a thriving one that we hope you will choose to help diversify it further with your recognized talents. In addition to the program resources, Graduate Division strives to offer programming to support your intellectual growth and provide the tools necessary to meet your professional and educational goals. We hope you will choose to pursue your graduate studies here at UCR!

For us to reserve your space at UCR and generate registration materials, please visit https://gradsis.ucr.edu/gradsis/GSIS_LOGIN.Login_student and indicate your decision no later than August 7, 2021. The accompanying Verification of Support Requirements form will provide you with details regarding the required proof of sponsorship needed to prepare an I-20 form for you to obtain your student visa.

If you have any questions about your offer letter, any forms you receive from UCR, or general graduate student concerns, please contact the Computer Engineering or the Graduate Admissions Office. We are here to answer any questions you may have as we understand that this is an important decision that impacts your future.

Congratulations again on your success in being admitted. We look forward to hearing from you soon and welcoming you to the UCR.

Sincerely,

Shaun Bowler

Dear Rugved Mandar Bhise,

Congratulations! It is my pleasure to inform you that you have been admitted into the Computer Engineering, Master of Science program in the College of Engineering and Applied Sciences for Fall 2021.

In order to accept or decline admission, you will need to complete the confirmation form now available on your status page.

International students must document financial support for all years of study to be issued a "Certificate of Eligibility" (Form I-20 or DS-2019) for a student visa. The total worth of financial award you may get *can be counted* as a source of financial support in the "Financial Certification Form" as funds from the University of Cincinnati. For information such as how to obtain an I-20, estimated expenses, and financial certification forms please go to:
<https://www.uc.edu/about/international/admissions/enroll.html>.

Please consider that a prompt return of your documents is *imperative* to ensure that all documents required to process your visa application are present. Note that the visa application process can often take 90 days or more to complete.

There are some important conditions for your admission. They include:

1. Verification of your completed degree(s) by official transcript sent directly from your past institutions to: The Graduate School, The University of Cincinnati, P.O. Box 210627, Cincinnati, OH 45221-0627. Official transcripts should be received by The Graduate School prior to the start of your graduate degree program.
2. Attendance at Student Orientations, Tests and/or other Training, for which you will receive additional information separately.

The Computer Engineering, Master of Science program may have additional requirements and deadlines for your admission. Please direct any questions or concerns to your program of study. Any questions or concerns about the "Financial Certification Form" should be directed to UC International Services.

I look forward to your positive reply and welcoming you to an outstanding graduate student experience at the University of Cincinnati.

James Mack
Associate Dean of the Graduate School
University of Cincinnati
2614 McMicken Circle
110 Van Wormer Hall
Cincinnati, Ohio 45221-0627

COLUMBIA | ENGINEERING

The Fu Foundation School of Engineering and Applied Science

Dear Mr. Siddhant Rajeev Kumar:

37

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Data Science Master of Science program beginning Fall 2021. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2021 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2021 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. [Click here](#) to respond to the offer. This offer is applicable only to the Fall 2021 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post -secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

Leora Brovman

Vrinda Bhatu
1602 Sarojini Naidu Rd
Gopal Kunj CHS
Mumbai, 400067
India

Dear Vrinda,

It is with a great sense of pride that I welcome you to the University of Maryland's Graduate School. The university is committed to offering programs that combine rigorous academic and technical preparation in a nurturing, diverse, and engaging environment. Our graduate programs are designed to prepare graduates for a wide range of opportunities in local, national, and international settings.

I am pleased to offer you admission to the Full Time Master of Science program in Information Systems for Fall 2021.

Your tuition and charge-differential classification: Out-of-State

Your condition(s) of enrollment:

- Submission of final official baccalaureate transcript(s) from all previous institutions by the end of the first semester of study.

Each required transcript (except from the University of Maryland College Park) must show the date and conferral of the awarded degree. If your transcript does not state that a degree was granted, an attested copy of your diploma/degree certificate is required. Future registration will not be possible without the receipt of these documents.

In order to reserve your space in the program at the Robert H. Smith School of Business, a non-refundable \$1000 deposit is required to be submitted to our office by May 18, 2021. Your deposit will be credited toward your first semester tuition payment. A second non-refundable deposit of \$1000 will be required by June 17, 2021.

Please follow each step in the [Checklist for New Students](#) to prepare you for your first semester at the University of Maryland. All full-time graduate students are required to have health insurance. If you will not be covered under someone else's plan (a parent or spouse), please explore your [health insurance options](#) before the term starts.

It is important to accept or decline this admission offer. Your University ID (UID) is 118125633. You will need this number for registration and other administrative purposes. The [International Student and Scholar Services](#) will contact you directly regarding the visa process.

Again, we welcome you to the University of Maryland, with our best wishes for a successful and rewarding graduate experience.

Sincerely,

Steve Fetter
Associate Provost and Dean of the Graduate School

Dear Candidate:

We are pleased to offer you admission to the MBA Batch 2021-23 of Indian Institute of Management Calcutta, subject to the enclosed Terms and Conditions and fulfilment of all eligibility criteria. Registration/Orientation Program and Freshers' Welcome are tentatively scheduled to start from 15 June 2021. We plan to commence with the regular classes from 21 June 2021 subject to improvement in the situation due to COVID-19.

In case you are asked to attend the Academic Assimilation Workshop (AAW) before the regular classes begin, a separate communication will follow with the details and schedule of the workshop.

The total fees for the MBA Batch 2021-23 is Rs.23,00,000/- (Rupees Twenty Three Lakh only). In addition, you will have to pay a refundable caution deposit of Rs.20,000/- (Rupees Twenty Thousand only) at the time of Registration.

Financial assistance is available in the form of scholarships to the eligible students. Those students whose family income is less than a specified amount per annum (subject to meeting some additional criteria as decided by the competent authority) are eligible for 'Need based financial assistance' (NBFA). More details in this regard will be available from the MBA Program Office after completion of the registration formalities. Also various banks provide loans to students at a concessional rate of interest.

Please confirm your acceptance of this offer of admission by sending the scanned copy of the enclosed acceptance form, duly filled in, to mbaadmissions@iimcal.ac.in

You are requested to pay the acceptance fee of Rs.1,00,000/- (Rupees One Lakh only) online through the following webpage:

<https://www.iimcal.ac.in/check-results/iim-calcutta-mba-program-202123-admission-offer-status>

It has the provision of paying through credit/debit card or net banking. You are requested to share the transaction ID of your payment while filling up the acceptance form. Also, please attach the soft copy of your receipt in the same email while submitting the soft (scanned) copy of your acceptance form. The last date of payment and submission of acceptance form is **Sunday, 6 June 2021**, failing which, the offer of admission, sent herewith, shall stand withdrawn without any further communication to you.

Best wishes,

Prof. Megha Sharma
Chairperson, Admissions

khoury.northeastern.edu/ Dear Yash Ketan:

The Graduate School of the Khoury College of Computer Sciences at Northeastern University is pleased to accept you as a student in our Master of Science program in Computer Science for the Fall 2021 Semester. Your admission for the Fall 2021 Semester is to our Boston campus. Congratulations on your acceptance to the program!

Below you will find the conditions of your admission. You must fulfill these conditions in order to enroll in our program. Please CAREFULLY READ and complete all the steps as soon as possible to reserve your space in our program. If we do not receive your tuition deposit by 1/31/2021, you may not be able to enroll in the Fall 2021 Semester. Please note we highly recommend that you pay your tuition deposit online using the link in the Conditions of Admission section.

Thank you for your interest in our program. We look forward to receiving your admission confirmation and to your arrival.

Sincerely,

Frank Tip
Associate Dean for Graduate Programs
Khoury College of Computer Sciences
Northeastern University

CONDITIONS OF ADMISSION

Date: 1/15/2021

Applicant: Yash Ketan Muchhala

Program Admitted To: Master of Science in Computer Science

Campus: Boston

Admission Date: Fall 2021

NUID: 002139797

STUDENT ACCOUNT CLAIM

Students admitted to Northeastern will have access to limited services through the myNortheastern portal. As you transition from an admitted to an enrolled student, your access to myNortheastern services is automatically modified.

Students eligible for a Northeastern online account will receive an **automated account claim email**. Eligibility is based on admission data in university systems. Students can follow the steps below to claim their online account.

To claim a student account:

1. Open Account Claim email.
2. Click on the "Claim your Northeastern online account now" claim token included in the account claim email.
3. Follow the prompt to enroll in Duo, the university's two-factor authentication provider.
4. Complete the "Student Account Claim" form.
5. Review and accept the "Northeastern University Appropriate Use Policy for Computer Network Resources."

6. Create a password.

If you are unable to claim your student account:

There are several reasons why you may not be able to claim your student account, including:

- University admission data on file indicates that you are not eligible for a myNortheastern account and have not been sent an account claim email.
- You have not accepted the Northeastern University Appropriate Use Policy for Computer Network Resources.
- Your password doesn't meet the minimum length requirement.

If your graduate information does not match, contact Khoury College to see if the admission data on file indicates you should receive an account claim email.

If you need additional support with the account claim process, the IT Service Desk is available 24/7. Call 617.373.HELP [4357] or email help@northeastern.edu.

ENROLLMENT

Your admission to the Khoury College of Computer Sciences at Northeastern University is contingent upon fulfillment of all of the following requirements, and satisfaction of all applicable local, state, and federal laws.

- A non-refundable tuition deposit of **\$750** is required to reserve your space in our program. A credit card payment can be made using the link below. Please submit your tuition deposit as soon as possible. [Enrollment in the campus of your choice is first-come-first-serve based on order of enrollment deposits and subject to capacity limits.](#) Your enrollment deadline is 1/31/2021. If we do not receive the deposit by that date, you may not be able to enroll in the Fall 2021 semester.
[Please click here to pay your tuition deposit via credit card](#)
- INTERNATIONAL STUDENTS: After we receive your enrollment deposit, you will receive a confirmation email that includes instructions on submitting your financial documents and requesting your I-20. Submission of these documents will be electronic.
-

OFFICIAL TRANSCRIPTS

Additionally, all new students are required to submit a final official transcript from your undergraduate/bachelor's degree-granting institution. If you already provided a transcript to the Graduate Office with your grades for ALL semesters, you do not need to send it again. If you have not, please send it to **202 West Village H, 360 Huntington Ave, Boston, MA 02115**. If you will be attending classes at the Boston campus, you may bring it with you when you report to campus. If you are unsure as to whether you already provided us with your final transcript, please email khoury-gradschool@northeastern.edu to check.

DEFERRING YOUR ADMISSION

Admission to the Computer Science program is valid for up to one year. If extenuating circumstances arise and you are unable to attend the Fall 2021 semester but would like to attend at a later time, please send an email to khoury-gradschool@northeastern.edu. We would be happy to defer your admission for one or two semesters.

Tejas Paranjape

14, Trimbakeshwar Soc.
Chittaranjan Rd, Vile Parle(E)
Mumbai, Maharashtra 400057
India

Dear Tejas,

On behalf of Carnegie Mellon University and our Admission Selection Committee, it is my great pleasure to offer you admission to the Master of Science in Information Security Policy and Management program beginning in August 2021. Your notable accomplishments, both academic and non-academic, have set you apart and established your potential as a leader and an agent of positive change.

Please respond to our offer of admission by completing the online **Admission Response Form** by **April 15, 2021**. Your Admission Response Form is available on your application status page (near the bottom of the page). All admitted students must successfully complete the Credentials Verification Process to be eligible to enroll. Additional information regarding this step of the enrollment process is posted on the website for admitted students mentioned below. You will also be required to submit a final, official transcript from your undergraduate institution confirming the completion of your bachelor's degree with your date of graduation before starting classes at the Heinz College. Carnegie Mellon cannot confer graduate degrees to students who have not submitted proof of completing an undergraduate degree.

Unfortunately, we are unable to offer you any financial assistance at this time. If you have not made arrangements for financing your education, I encourage you to visit the financial aid section of our website for more information.

We have created a website for all of our admitted students (

<https://www.heinz.cmu.edu/admitted-students/full-time/>). Visit the site to learn more about your offer of admission, the Credential Verification Process, the student visa application process for international students, and preparing for your first semester of study. You are responsible for completing the Credential Verification Process and returning all applicable forms in a timely manner.

After submitting your response form, a nonrefundable, nontransferable deposit of \$500 must be paid either online (via credit card) or by mail (via check or money order) in order to secure your position in the program. Please make your check or money order payable to "Carnegie Mellon University" (please mail to the Office of Admissions). The credit card payment method may be completed via a secure website (<https://commerce.cashnet.com/CMU151?itemcode=151-HNZ-EDEP>). The admission deposit payment is required in addition to completing the Response Form. After you have paid this fee, you will see the payment reflected on your application status page. Once you have enrolled in your first semester of classes, the admission deposit will be credited to your student account.

Dear Mr. Thosani,

The Computer Science program has recommended that you be admitted to graduate school at North Carolina State University! Our university prides itself on the excellence of its graduate programs and the diversity of its student population. NC State is ranked among the top universities in the U.S. [Learn more](#) about graduate education at NC State.

Please return to your [applicant portal](#) to view all required checklist items. The decision is not final until the Graduate School performs a review of your application materials. We must receive and approve all checklist requirements in order to continue our review of your academic record. Once approved, you will receive notification. The Graduate School will then update its records to reflect your new admissions standing:

Recommended Admission status: Full Admission

Degree Program: Master of Computer Science (MR) - On-Campus

Intended enrollment term: Fall 2021

Your graduate program requests that you indicate your intent to enroll by completing the enrollment form (available via your application status portal) AND that you pay a \$300 non-refundable enrollment deposit by **June 15 for Fall and Summer Terms, or November 15 for the Spring Term**. Note that some programs may require an earlier deadline.

If you have any questions about your program's curriculum or financial awards (including assistantships), please contact the [graduate program](#) to which you applied.

If we can assist you with any other matters, please contact the Graduate School at graduate-school@ncsu.edu.

Sincerely,

Peter Harries, Dean

Ambedkar Road, Bandra West
Mumbai, In-Mh, 400050,
India

Dear Sunit Ashish Vaidya,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Computer Science within the Andrew and Erna Viterbi School of Engineering for Fall 2021. Your degree objective is the Master of Science. Please include your USC ID (2643-6612-43) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button.

Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy L. Brunold
Dean of Admission

CONTINUING REGISTRATION REQUIREMENTS

You have been admitted with the following continuing registration requirements. These requirements must be met prior to or during your first term(s) of enrollment at the university. Failure to do so may result in termination from the program.

-- Verification of all your previous post-secondary degree(s) earned outside of the United States is required. You must satisfy this continuing registration requirement by engaging the International Education Research Foundation (www.ierf.org/usc) to verify your credentials. Please review this service's requirements and fees on their special USC web page and follow their instructions. The evaluation service will send a verification report directly to USC.

Applicant ID (UIN): 672259229

Dear Meet,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Management Information Systems MS program at the University of Illinois at Chicago (UIC) beginning in the Fall 2021 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details advising will be communicated to you by the department, if they have not already done so. Available for students adm to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularl check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen permanent alien of a country other than the United States, who expects to return to a residence outside the United Sta and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an internati student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelc degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will ne to receive official documents. The required documents that must be submitted are listed on your application status pag See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that yc may do so for up to one year without reapplying. Please contact your department with any questions concerning defer

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley

Dear Priyanka,

Congratulations! On behalf of the admissions committee, I am pleased to inform you of your admission into the Information Networking Institute (INI)'s MS in Information Security - Applied Study program for the Fall 2021 term.

You will find complete information on the requirements for your degree program on the INI website.

As you prepare to accept our offer of admission, please consider the following to help make your decision.

Financial Awards

We will inform all applicants of the amount of any financial award when funding decisions become available. Please note that only applicants who submitted the Request for Funding Assistance form are under consideration for financial awards.

Tuition Information

Please review the current list of expenditures to learn more about tuition rates and applicable fees.

Health Insurance

Students are also responsible for covering the cost of their health care insurance, which is mandatory. If you are covered by another plan and do not opt to join CMU's plan, you must document this coverage. Please see the University Health Services website for more details.

Information for Admitted Students

Please visit the Turn Tartan webpage for information and admitted student event listings.

To accept admission, please submit the online decision notification form found on your application status page and pay a \$100 non-refundable registration fee no later than April 15.

Once we have received your acceptance, fee, and required documents, we will notify you about registration and enrollment next steps. This will begin your enrollment process.

We are excited to have you join the INI! You were chosen from a group of highly talented applicants after careful consideration of your admissions portfolio. With your outstanding academic record and achievements, you have earned the opportunity to learn and thrive at Carnegie Mellon. If you have any questions, please email our admissions team.

Sincerely,

Dr. Dena Haritos Tsamitis

Graduate Enrollment Services
Rochester Institute of Technology
Bausch & Lomb Center- Room A130
58 Lomb Memorial Drive
Rochester, NY 14623-5604
Tel: 585-475-2229
Fax: 585-475-7164
<http://www.rit.edu>

Dear Siddharth Bhuvan,

Congratulations! It is with great pleasure that I offer you admission to the Computing Security, MS program for the Fall 2021 term at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by May 1, 2021, which can be found on your Application Status page at <join.rit.edu/account/login>. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by May 1, 2021. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, <rit.edu/admissions/graduate/accepted-students>, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

Sincerely,

Diane Ellison

Ruchi Rajesh Gupte

Dear Ruchi Rajesh,

Congratulations! I am delighted to inform you that you have been admitted to the Robotics, MSE Program at the University of Pennsylvania for the Fall 2021 term. As you know, this program is very competitive, and I congratulate you on your academic accomplishments.

In order to reserve your place, please complete the Admission Decision Form online and submit the non-refundable \$300 acceptance deposit by June 1. The acceptance fee will be credited to your student account when you matriculate. The Admission Decision form must be received by the end of the day on June 1.

Please note that we have not received some of your official application documents. After receipt of the Decision Form we will provide a list of these documents. Your offer of admission is contingent on our receipt and verification of these documents.

If you have questions about your program's requirements or opportunities, please see the contact information below for the Graduate Program Coordinators:

OFFICE OF GRADUATE STUDIES UNIVERSITY OF MICHIGAN-DEARBORN

05

March 3, 2021

Aditya Rahul,

I am pleased to inform you that you have been admitted to:

Term: Fall 2021

Program: Data Science (MS)

Concentration: No Concentration

Residency Classification: Out-of-State

Our distinguished faculty, small classes, and diverse student population will provide you with an outstanding graduate student experience while you earn your Michigan degree.

More detailed information about your admission, including registration and advisor information, will follow directly from your program of study. You can locate the best program contacts to use from this point forward at www.umdearborn.edu/gs_contactunit.

You have been assigned the following University of Michigan identification number:

97775479

If this number is not an 8-digit number, a UMID is still being generated for you. This number should be used in all future correspondence with the University.

You are encouraged to review the admitted student website www.umdearborn.edu/grad_admitted to assist you in your transition as a new graduate student.

My sincere congratulations on your acceptance! On behalf of the UM-Dearborn campus, we look forward to your enrollment and having you join our University community. We wish you success in your academic career and trust it will be a rewarding experience for you. Welcome to the University of Michigan-Dearborn and GO BLUE!

Warm regards,

Trista D. Wdziekonski

Trista Wdziekonski
Executive Director, Graduate Enrollment Management

COLUMBIA | ENGINEERING

The Fu Foundation School of Engineering and Applied Science

06

Dear Ms. Urja Kulkarni:

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Electrical Engineering Master of Science program beginning Fall 2021. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2021 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2021 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 3 weeks from the date of this letter. [Click here](#) to respond to the offer. This offer is applicable only to the Fall 2021 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post-secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

A handwritten signature is written over a blue horizontal line.

Dear Mihir Ravindra:

Re: University ID: 2000878288

Congratulations! It is my pleasure to inform you that you have been granted admission to the Luddy School of Informatics, Computing, and Engineering's **Data Science MS Residential** program beginning in **Fall 2021**. The faculty are very excited at the prospect of having you in our graduate program. Our students have extraordinary opportunities such as internships, research, cultural programs, and global connections. We have an outstanding graduate program, and we hope you will accept our offer.

This offer is contingent upon **final approval** by the Office of International Services and the Dean of the University Graduate School. Your financial documentation must show satisfactory evidence that you now have or will have sufficient funds to finance your proposed program of study at Indiana University. **Your financial documentation must be uploaded in Atlas before the Office of International Services can process the appropriate visa eligibility certificate (Form I-20 or DS-2019).** After the Office of International Services receives your financial documentation, they will process the appropriate visa eligibility certificate (Form I-20 or DS-2019) and will send you formal notification of admission along with the visa eligibility certificate.

We would like to receive your decision by **April 15, 2021**, which is in the spirit of the Council of Graduate School Resolution, which states that "students are under no obligation to respond to offers of financial support prior to April 15." If you decide to decline our offer, please let us know as soon as possible as we have more qualified applicants than positions.

Our offer expires on **April 15, 2021**. If you have any questions or need additional information, please contact GoLuddy@iu.edu. Once you have made your decision, please let us know by completing the **Luddy Fall 2021 Student Decision Form**. If you prefer, you can copy and paste the URL into your browser <https://go.iu.edu/3wVd>.

If you have any questions or need additional information, please contact GoLuddy@iu.edu.

We congratulate you on your academic achievements. We are very excited at the prospect of having you in our graduate program, and we look forward to learning of your decision.

Mumbai, Maharashtra 400063

Dear Srushti Yadahalli:

I am pleased to inform you that you have been accepted for admission into Mays Business School's Master of Management Information Systems Program. Your admission is effective for the Fall 2021 Semester and is contingent upon completion of the program's prerequisite courses. In order to satisfy the program's prerequisites you must earn a C or better in each course.

Please see the two attachments at the bottom of this email for additional information and action items. You will also receive a subsequent email directly from the Department of Information and Operations Management Student Office (SSO) including a list of outstanding prerequisites (if any).

Please be sure to submit all requested documentation promptly to avoid processing delays. If you have any questions or concerns regarding your acceptance, please contact their office at infostudentservices@mays.tamu.edu or 845-0811.

Your student Universal Identification Number (UIN) is 631008713.

Please accept my sincere congratulations on your acceptance for study in the graduate program at Mays Business School. The Mays faculty and I wish you every success in your future endeavors.

Sincerely,

Michael Alexander

Assistant Dean for Graduate Programs

COLUMBIA | ENGINEERING

The Fu Foundation School of Engineering and Applied Science

10

Dear Mr. **Vedant R. Kumar**,

Congratulations! It is a pleasure for me to inform you that you have been admitted to Columbia University's Fu Foundation School of Engineering and Applied Science as a candidate in the Data Science Master of Science program beginning Fall 2021. You have been admitted to the program as a full-time student, and will be expected to register in a minimum of 12-credits in the Fall 2021 semester. The faculty and staff would like to commend you on your past accomplishments which formed the basis of our admission decision in a highly competitive pool. We encourage you to visit our Welcome to Columbia website at <https://gradengineering.columbia.edu/welcome> for essential information to assist you with your transition to the Columbia Engineering and Applied Science community.

You now have the opportunity to join a School with a rich history and an expanding future. As a School of Engineering and Applied Science, we are fortunate and proud to attract students and faculty from diverse backgrounds, from across the country, and from around the world. As a community, we have the privilege to learn from one another, and to study, work, and live together in the dynamic and vibrant place that defines Columbia. It is a great benefit to be able to gather engineers and scientists of so many different backgrounds and perspectives with a commitment to learning, a focus on pushing the frontiers of knowledge and discovery, and a shared passion for translating our work to impact humanity.

It is extremely important that you complete and submit your admission response to indicate if you accept or decline our offer of admission. In order to finalize your student status and to hold your place in the Fall 2021 class, the Office of Graduate Student Affairs must receive your response and \$4,000.00 non-refundable tuition deposit by 11:59 p.m. EST 2 weeks from the date of this letter. [Click here](#) to respond to the offer. This offer is applicable only to the Fall 2021 semester, and is not transferable to another term.

If you require a Student Visa, an Application for Visa Certificate can be obtained from here: <http://isso.columbia.edu/> and should be completed and returned as soon as possible to our International Students and Scholars Office. This application must be returned with all required materials including a copy of this letter and financial support documentation.

If you choose to accept our offer of admission, enrollment is contingent upon receipt of all outstanding application materials including, official test scores, and official transcripts from all previously attended post -secondary institutions. Transcripts must indicate the conferral of your previous degrees. If transcripts do not indicate degree conferral, a separate degree certificate must be included. Instructions for how to submit all official materials can be found here: <https://www.gradengineering.columbia.edu/student-life/new-students>.

We appreciate your interest in continuing your education at Columbia University and hope to welcome you to campus. For assistance, please do not hesitate to contact the Office of Graduate Student Affairs at seasgradmit@columbia.edu. We look forward to working with you in your future academic endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Sardar Patel Institute of Technology".

Chinmay Raut

17-A, Sitaram Baba Colony, Near Satya Sai Centre,Sai Nagar
 Amravati, 444607
 INDIA

Dear Chinmay,

Congratulations! You have met the requirements for admission to the Master of Science in Business Analytics at The University of Texas at Dallas' Naveen Jindal School of Management for the Fall 2021 semester. We share your excitement as you begin this next stage in your educational career. Your program director, Gaurav Shekhar (msbuan@utdallas.edu), and academic advisors will be here to assist you with any questions or concerns you may have throughout the course of your program.

Please note that as a graduate student, you carry certain responsibilities that may not have been present in your undergraduate experience. Be aware of the information contained in the [Graduate Catalog](#), [JSOM Policies page](#), and on the [Academic Calendar](#). Failure to read them does not exempt you from the rules and regulations therein pertaining to your academic experience.

- As part of your degree program prerequisites, you will need to complete a one credit hour Professional Development course. Details on the course can be viewed on the [Jindal School of Management page](#).
- Plan time to visit the Advising Office to review the requirements of your degree plan and to remove your advising hold. Please try to plan several visits while you are a student.
- You will also receive information about the Jindal School of Management's Graduate Orientation program, please make it a priority to attend this important event.
- When you reach the final semester of degree plan requirements you must fill out a graduation application by the posted deadline of your graduating semester. Failure to apply for graduation by the applicable deadline will delay your graduation by a semester.

Our faculty and staff look forward to assisting you during your educational journey. We are confident that your experience at UT Dallas will include a welcoming environment, an intellectual challenge and a first-rate faculty in your field of study.

Sincerely,

Monica S. Powell, Ph.D.
