Celebration of Chatrapati Shivaji Maharaj Jayanti 2023

Shivaji Maharaj Jayanti Celebration Chhatrapati Shivaji Maharaj Jayanti, also known simply as Shiv Jayanti, is a festival and public holiday of the Indian state of Maharashtra. This festival is celebrated on February 19, celebrating the birth anniversary of Chhatrapati Shivaji Maharaj, the first Chhatrapati and founder of the Maratha Empire. Chhatrapati Shivaji Maharaj Bhonsale was born on 19th February, 1930. He was an Indian ruler and a member of the Bhonsle Maratha clan. Shivaji carved out an enclave from the declining Adilshahi sultanate of Bijapur that formed the genesis of the Maratha Empire. In 1674, he was formally crowned the Chhatrapati of his realm at Raigad Fort. Over the course of his life, Shivaji Maharaj engaged in both alliances and hostilities with the Mughal Empire, the Sultanate of Golkonda, Sultanate of Bijapur and the European colonial powers. Shivaji Maharaj's military forces expanded the Maratha sphere of influence, capturing and building forts, and forming a Maratha navy. Shivaji Maharaj established a competent and progressive civil rule with well-structured administrative organisations.

The festival started with *pooja* followed by *aarti* of the idol by Prof. Govind Haladankar accompanied by Staff's and students.

Yoga has never been alien to us. We have been doing it since we were a baby! Whether it is the Cat Stretch that strengthens the spine or the Wind-Relieving pose that boosts digestion, you will always find infants doing some form of yoga throughout the day. Yoga can be many things to many people. We are determined to help you discover your "Yoga Way of Life!"

Food Challenge

Event Summary Report

Program driven by: self-driven activity

Program /Activity Name: Food Challenge

Venue: S.P.I.T.

Date: 11th November 2022

Brief information about the event:

E-Cell S.P.I.T in association with IIC S.P.I.T. conducted Food Challenge, an event where students set up food stalls in the Sabhagriha and sold food of their choice at a price point set by them. Students participated in teams of 3 to 6. Each team was allotted a stall where they sold their eatables in exchange for coupons provided by E-Cell S.P.I.T which was the mode of payment.

The event was judged by Mayank Shah, Shikha Shetty, Jinali Doshi, Yashmita Suvama, and Abhay Sharma, who are prominent Food Vloggers. The event was evaluated on two criteria- best taste and maximum sales.

The winners under the best taste criteria were Team Mr. Bean's (Sonu Sahu, Nikhil Singh, Chetan Patil, Teethi Kanthe, Aaryan Vaidya, Tejas Thakarey, and Kundan Chaudhari). The winners under the maximum sales criteria were Team PVR (Chirag Wadhwani, Vincet Mankani, Harish Balasubramanian, and Janhavi Dangle).

The event provided a great opportunity for all the participants to learn about pricing and advertising products which is a crucial skill for an entrepreneur. Participants learned the importance of accurately estimating the quantity of required material to prevent leftovers. Participants also had a first-hand experience of dynamically changing the prices of their products to match their competitors or to attract more customers.

Teachers Day Celebration

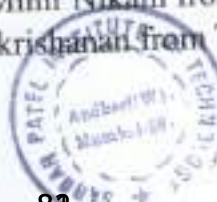

2021

On the morning of 5th September 2021, S.P.I.T. had an online Teacher's Day celebration. Due to the pandemic, instead of assembling in the institute's conference room for an evening of fun and games, the faculty and students gathered in a Google meet. All the Student Council members and the IEEE committee members, expressed their gratitude towards the teachers who have been through the highs and lows of the student's engagement in the college, always offering encouragement and support.

The function began with a warm welcome to all teachers followed by the introduction of the council members and the IEEE committee members by Sumeet Haldipur, general secretary of the Student Council. Aayush Kawathekar (Technical Secretary) streamed the entire celebration on YouTube. The program formally began with a melodious Saraswati prayer by Sruthi Sivaramakrishnan.

After the prayer, students from our college were all set to entertain our teachers with their power-packed performances. Nikhil Motwani (Vice Cultural Secretary) from SE IT, gave it a head start with his sensational dance moves on remix songs. In the second performance, Sakshi Gadegaonkar from TE Comps sang a beautiful song "Socha Nahin to Socho Abhi" from the movie "Rock on" with recorded guitar background music played by Mihir Nikam from TE IT. Report on celebration of "Constitution Day (Samvidhan Divas)"

On the occasion of Constitution Day on 26th November 2021, the Electoral Literacy Club of Sardar Patel Institute of Technology, SPIT, Mumbai organized an elaborate session on Constitution Literacy. The purpose of this session was to get everybody well acquainted with the important aspects of the constitution and its drafting.

The speaker of the session was Dr. Anand M. Kasle. Dr. Kasle obtained his B.A., LL.B., LL.M., and Ph.D. (Law) degrees from the University of Mumbai. Dr. Kasle is currently working as a full-time Professor at G.J. Advani Law College, Mumbai since 2008.

The session was live telecasted through Google Meet from 1:00 pm to 2:00 pm on the link <https://meet.google.com/vvk-uonf-ttc?authuser=0> and a total of 227 participants were present during the live telecast.

The session started with Mr. Aditya Motwani from TE COMP giving an introduction of the esteemed guest. Aditya, then went on to invite the Principal of SPIT, Dr. Bhalchandra Chaudhari to enlighten the participants about the importance of the day & invited the speaker to present his thoughts.

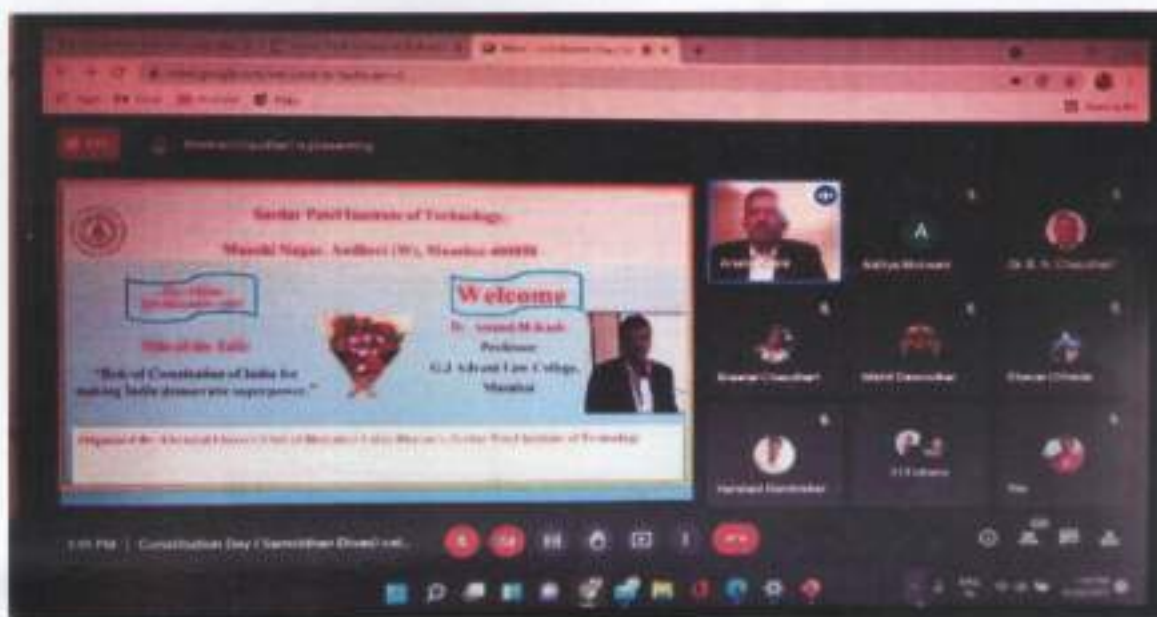

Dr. Kasle is a constitutional scholar. He started his talk by explaining the formation of the Constituent Assembly of India. He narrated an incident of Mahatma Gandhi inviting Dr. Babasaheb Ambedkar to join the Constituent Assembly. The Constituent Assembly of India had the responsibility of making the Constitution of India. Dr. Babasaheb Ambedkar was the Chairman of the Drafting Committee of the Constituent Assembly. Babasaheb was responsible to make the Constitution of newly-formed India. To achieve this task, Babasaheb went through the Constitutions of different countries like the United States, France & many more. Dr. Kasle debunked the myth that the Constitution of India is a compilation of different Constitutions around the world. He explained this with an example. It's said that Notion of Equality comes from the French Constitution. Dr. Kasle refuted the notion and argued that the Notion of Equality was present in India right from the time of Gautama Buddha. As India is a diverse country, the Constitution of India caters to this diversity.

Name of Event: **Legal Studies Competition 2019**

Date of Event: **5th March 2019**

Brief Information about the event:

As a part of the Activity Based Learning module, Second Year students of S.P.I.T. studied a course on law. The course culminated in a legal studies competition testing the students' progress over the semester. It was held on 5 March 2019.

The contest was split into three categories, the first being negotiation. Two teams competed on a common topic for around 40 minutes. At the end, the parties were expected to negotiate and come to a conclusion. Secondly, there was the client counselling competition. A person in need of legal help was first brought forth. The students, having done their research had to hear the client out and suggest possible legal remedies to the judging panel. The last category was the Moot Court competition. The participants had to simulate mock court proceedings such as filing petitions, presenting a case, and rebuttals, which included questions from the judges.

The event was a great experience for the students and the judges, who were law students, were pleased with the proficiency on display.

मराठी मातृभाषा दिवस २७/०२/२०१९

मराठी भाषा दिवस (जागतिक मराठी भाषा दिवस, मराठी भाषा दिन) हा जगभरातील मराठी भाषकांकडून दर वर्षी २७ फेब्रुवारीला साजरा केला जातो.. मराठी कवी विष्णू वामन शिरवाडकर ऊर्फ कुसुमाग्रज यांच्या जन्मदिवसाच्या निमित्ताने हा दिवस 'मराठी भाषा दिवस' म्हणून पाळण्याची प्रथा सुरू झाली. जागतिक मराठी अकादमीने या कामी पुढाकार घेतला. भाषेला अभिजात भाषेचा दर्जा मिळावा, हि समस्त मराठीजनाची मागणी आहे। इये मन्हाटिचीया नगरी ब्रह्म विद्येचा सुकाळ करी, अशा शब्दांतून श्री ज्ञानदेवानी मराठीचा उल्लेख करता, करता ब्रम्हविध्या म्हंटले आहे, शब्दब्रम्हही म्हंटले आहे। याची यथार्थता आज मराठी भाषा गौरव दिनी प्रकर्षाने पटते। अमृतातेही पैजासी जिकणाऱ्या या माय मराठीचा मला सार्थ अभिमान वाटतो. हा दिन नाशिकच्या कवी कुसुमाग्रजांचा वाढदिवस आहे. त्यांचा हा जन्म दिन मराठी भाषा दिन पाळला जातो.

आपल्या मराठी भाषेची महती

- ✓ जगात बोलल्या जाणाऱ्या ५५०० भाषांत मराठी १५ व्या क्रमांकाची भाषा
- ✓ भारतात बोलल्या जाणाऱ्या भाषात मराठी भाषेचा ४था क्रमांक
- ✓ मराठीची उत्पत्ती - संस्कृतच्या प्रभावाने प्राकृत भाषेच्या महाराष्ट्री या बोली भाषेपासून मराठीचा उदय झाला.
- ✓ भारतीय-युरोपीय, भारतीय-इराणी, भारतीय-आर्य व दक्षिणभारतीय-आर्य हे मराठीचे कुळ आहे.

Blood Donation Camp

Maintaining its tradition, like every year Rotaract Club of SPIT organized its MEGA Event , The Blood Donation Camp on 26th March 2019. This year the aim of the Club was to provide the blood collected from donors to the young children fighting with the disease called "Thalassemia" Thalassemia is a disease with no cure, with painful procedures only successful in prolonging life. One of them is blood transfusion at regular intervals. Many young children wait desperately for compatible blood types for a transfusion.

BSES MG Hospital & Blood Bank with its team of doctors visited the college and made a passionate appeal to the students to donate blood. Many students were nervous and afraid of the needles, but upon hearing the plight of the thalassemic children, mustered up the courage to do what was necessary.

Teachers Day Celebration

2019

Students' council organized a sumptuous party for the faculty members of Sardar Patel Institute of Technology on Wednesday, 11th September 2019.

A good teacher can inspire hope, ignite imagination, and instil a love for learning. We Indians have always understood the importance of a Guru who helps us develop into wholesome individuals who contribute to the advancement of society. In keeping with tradition, the Students' Council organized a fun event for all the professors to unwind after a hectic day at the office, an effort to acknowledge their priceless contributions to our lives.

All the teachers were welcomed with beautiful decoration at the entrance of S.P.I.T. The student council had decorated the board with polaroids of all the teachers thereby thanking them with a quote on it. Mudra (cultural committee) expressed their love for teachers by designing a beautiful Rangoli and paintings. Being our inspiration, we asked teachers to sign their autographs. The day of

celebration began with a lot of enthusiasm which was then followed by the respective committees of each branch who decorated their floors and celebrated teachers' day with cake cutting in the lunch break.

A personalized invitation was handed to the professors which included words of gratitude and dress code. Along with that, a surprise envelope was handed to the faculty which was to be opened when they arrived at the destination of the party. The teachers gathered in room 007 in herds eagerly waiting for it to begin.

The excitement augmented to a joyful high when they opened their surprise envelopes. These envelopes decided the team of the teachers. The student council had arranged the sitting arrangement in the name of four teams namely 'Barely ki Barfi', 'Agra ka petha', 'Jamnagar ki Jalebi' and 'Calcutta ka Rasgula'. The event began with a welcome song sung by Gyaneshwar thereby giving importance to 'Guru' in our life. To set the party mode on, there was a zealous dance performance by the Mudra team. It was then followed by the music band performance. Performance enlightened the audience's mind by singing a set of 90's songs.

The General Secretary then gave a small speech welcoming all the professors and expressed her gratitude for their continued support. When the fun events started, it was revealed to the professors that they had been assigned teams based on their seating arrangement and it was time to play 'Rhythmic Bingo'

Rhythmic Bingo was a fun game organized by the Student Council. It consisted of various rounds, starting from the first round to be WhatsApp round where teachers had to guess the song on basis of emoji displayed. A scoreboard was maintained between the teams so one could witness intense childlike competitiveness between the various teams as they competed to achieve glory, revealing the fun side of the professors we rarely get to see in lectures. It goes on to show us that all adults are children who just happen to learn discipline along the way. Followed by the other rounds where songs were to be guessed based on tunes of famous international songs or English translation. Joy and happiness could be seen in teachers of each department at the college.

There was a neck-to-neck competition going on between 'Barely ki Barfi' and 'Agra ka Petha'. The room was filled with happiness when 'Agra ka Petha' won the game. In the end, everyone gathered in the middle of the room to cut the huge delicious cake ordered exclusively for the event, after which the dance floor was opened for all of them to let loose and dance their hearts out. All the teachers enjoyed the party to the core. Food was provided to all the teachers which then ended the entire function. The DJ set was the cherry on top to finish off a special evening.

"I thank the Students' Council for organizing such a fun event for all the professors. It showed us that our students really love us and inspires us to go even further in helping them achieve their goals."

Year 2018-19

Name of Event: **E-Cell S.P.I.T.'s Social Initiative at YMCA : Dec 2018**

Name of the Department/ Committee: **E-Cell, S.P.I.T**

Date of Event : **20th December 2018**

Brief Information about the event:

E-Cell S.P.I.T conducted a social drive program on the 20th of December in collaboration with Bombay YMCA. This initiative saw participation from women who come from socially backward backgrounds and was aimed at inspiring them to be able to stand out for themselves and make a successful living.

The atmosphere for the session was set. All the women sitting in the audience had one thing in common: the desire to be independent. Many of them did not have an educational background but their willingness to learn was indomitable. Their inquisitive eyes fueled the spirits of the members of S.P.I.T.'s E-Cell.

The first event in line was the guest speaker's session which was conducted by Mrs. Neelima Deshpande from Abhyudaya, SPJIMR. This session started with the audience introducing themselves along with their hobbies. Then Mrs. Deshpande went on to talk about how women feel in various situations, especially in situations which bring about major changes in their lives. She gave her own example, which helped the women connect to her. She talked about anger and how to channel it properly to avoid chaos in their lives. She then chose to talk about priorities and how women treat themselves as their last priority. She asked the audience to take some time out and spend it with themselves and made them realize that thinking about themselves is not wrong, that they should understand their individuality and not let anyone take them for granted. She urged them to make themselves happy before looking out for others' happiness. She also showed them how each one of them was special and that they and even their loved ones should accept them for that rather than complaining or trying to change under societal pressure. As she concluded her session, a new flame of self-awareness had ignited in the hearts of the women sitting there.
