The evening of 28th December, 2018 brought Ex-S.P.I.T.ians to connect and rejoice in their college memories once again as the college organized the much-anticipated Alumni Meet. The hosts for the evening, Urvee Chaudhari and Shloka Sapru (Third Year IT), opened the night with a joyous and welcoming speech in the Quadrangle. Miss Jaskirat Kaur, pursuing Masters in the University of Southern California, welcomed the guests present on behalf of the Alumni Association.

An emoji game conducted by the hosts left the audience in splits as they tried to guess the names of songs and movies just by looking at emoticons. The college band played some minor beats after which Miss Bhumika Panchal, Developer, Citius Tech,

"It was delightful seeing our students return to our institute, draped in the coat of success," said Prof. Kaisar Katchi, one of the organizing faculty members.

"For us students, finding out how old some of the traditions run in this college from the alumni, such as the committees and festivals, gave us a newfound appreciation for them," said Minakshi Kudalkar.
