

# Mid Term Feedback Form

Academic Year -2022-23 (Class - SE (Comp))

Div-A, Semester-Quad

1. Email \*

Subject Name : Design and Engineering Systems (Lab)

Faculty Name : Prof. Sonali Wankhede

Subject Name : Design and Engineering Systems (Lab)

Rate your understanding of CO (1)  
Very good, (2)Average, (3)Poor

Performance in SEMSE  
(1)Applied original thought and creativity for completing MCE, (2)Applied procedures learned to solve questions, (3) Able to solve few questions

Remedial classes  
(1)I return an effective no remedial class required, (2)Data lectures required to new topics, (3) Need the help of Teaching Assistant

Your level of concentration in class  
(1)Above 80%, (2)Around 50%, (3)Below 30%

# Faculty Teaching Feedback (Theory + Lab)

## Form-ODD SEM AY:2022-2023 BE-ETRX

You are requested to give your genuine feedback about teaching of the faculty on following scale.

where 5 - Excellent, 4 - Very Good, 3 - Good, 2 - Average, 1 - Poor.

Please fill the form ASAP.

\* Indicates required question

1. Email \*

---

2. Select the subject you have opted this semester

Select FIRST Program elective subjects in the same sequence and then Open Elective subject

(Only one option at a time)

Mark only one oval.

- ☐ 1. Principle of Soft Computing Skip to question 3
- ☐ 2. Artificial Intelligence and Machine Learning Skip to question 7
- ☐ 3. Analog CMOS VLSI Design Skip to question 15
- ☐ 4. Real Time Operating System Skip to question 20

Principle of Soft Computing.

*Schudhi*

## 3. Feedback for "PSC Theory" \*

**Faculty Name: Dr. Rajendra Sutar**

Mark only one oval per row.

|                               | 5                     | 4                     | 3                     | 2                     | 1                     |
|-------------------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Subject Knowledge             | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

## Faculty Feedback for the year 22-23

**Pallavi Thakur** <pallavi.thakur@spit.ac.in>  
to Dhyanjay, Pooja, Prasenjit, Ritu, mca

Mon, Aug 14, 3:19 PM

Dear All,  
PFA feedback for odd & even semester and overall feedback for the academic year 2022-2023.  
Thank you

Regards,  
Pallavi Thakur  
Assistant Professor  
Department of Computer Science & Engineering(MCA)  
Sardar Patel Institute of Technology (S.P.I.T.)  
Mumbai-400058

## Individual Faculty Feedback 22-23

**Pallavi Thakur** <pallavi.thakur@spit.ac.in>  
to Nikhita, Dhananjay

Mon, Sep 25, 10:46 AM

Dear Madam,  
PFA

Regards,  
Pallavi Thakur  
Assistant Professor  
Department of Computer Science & Engineering(MCA)  
Sardar Patel Institute of Technology (S.P.I.T.)  
Mumbai-400058  
Tel: 02226708520 Extn. 399

### MCA DEPT VISION:

To create a center of excellence which will produce cutting edge technologists to cater the needs of Business

### MCA DEPT MISSION:

- To provide high quality education .

To assist the students to excel in cutting edge technologies that Address their individual needs.

## FEEDBACK ON BEST PRACTICES & DISTINCTIVENESS AT S.P.I.T

Some of the best practices highlighted by students and faculty are

1. Holistic Curriculum (Scope courses, SEVA/SATVA/HSS courses)
2. Provision of PDC, Idea Lab, TBI which encourages and boost students to go ahead with entrepreneurship/reasearch/product formulation/patenting.
3. Internships (Industry and Research) in 6<sup>th</sup> or 8<sup>th</sup> Semester
4. Placement Cell and Placement records
5. Good TLE practices
6. Integrity, Positive approach and transparency
7. Methodical assessment
8. Flexible work environment
9. Transparency in conduction of Exam , Encouraging Innovative Teaching and Learning , Supporting Teachers for Further Education

*Signature*

**According to you, what is Institutional Distinctiveness? (How does SPIT make its mark and appear distinctive than other engineering Institutes)**

Some of the areas for distinctiveness suggested by various stakeholders include :

1. Placements and various aspects of placements such as :
  - i. Support received for acing the placements from teachers, training and placement cell and seniors are immense
  - ii. Number and nature of companies visiting the campus
  - iii. Annual CTCs
  - iv. 100% placement record
2. Students can choose from a variety of fields helping them to improve life skills and ensure overall development.
3. Semester long internship that lets students focus on the practical aspects of what they learn
4. A mix of cultures, learning & activities make a student 24\*7 involved in some or other activities.
5. The culture of helping and growing together as a tribe

## FEEDBACK ON FY B.TECH INDUCTION PROGRAMME : 2022-23

Please provide feedback on different induction sessions on a scale of 5 to 1 with 5 being the highest and 1 being the lowest

*Signature*

### Remarks or suggestions

1. None
2. Overall it was an amazing experience
3. It was best no suggestions
4. Nothing
5. Try to include small activities to increase involvement of audience.
6. The induction was good but the student council introduction could have been done in 2 sittings as it is a very long segment.
7. The program was perfectly planned and implemented although I would say a dedicated campus tour showing the outer campus is something I would be interested in.
8. The best and longest induction program I have ever attended
9. Increase the bench size, students are not understanding what few teachers are teaching
10. Time manangement should be more eles everything is very very nice
11. it was good session

## FEEDBACK ON FY B.TECH INDUCTION PROGRAMME : 2021-22

Please provide feedback on different induction sessions on a scale of 5 to 1 with 5 being the highest and 1 being the lowest

### Remarks or suggestions

1. Keep it up
2. Very good induction programme
3. Please have less classes per day for the rest of the year and the years to come. Thank you. Also offline college please with freshers party.

*Shandhai*

4. Amazing
5. No suggestions
6. No
7. All the programme were atmost top level but if it would be offline then it would be more interactive and fun.
8. overall it was very good induction! :)
9. I attended every single session and didn't got bore in a single one. I got something valuable from every session. Thanks for the induction program.
10. The introductions to committees were a bit hazy. Some committees even seemed similar in their working. It would have been better if at the end of their introduction, they compared two similar sounding committee (like coding club and csi-spit) to explain the differences.
11. Great initiative just wish I was able to get access to via drive so that I could watch them again
12. It helps a lot to know about the college culture and committies. Thanks for such helpful sessions
13. It was great induction program 🍷 👍
14. Sessions were very good
15. More information about the events before they happen would be helpful
16. Some sessions were missed as mail was not received, it would be great if recordings were provided at that time, other than that all sessions were amazing.

## FEEDBACK ON FY B.TECH INDUCTION PROGRAMME : 2020-21

### Remarks or suggestions

1. Thank you ma'am, the induction program was systematic and well organized.
2. More interaction and information about students council and committees would've been helpful. Overall great effort.

*Dr. Sudhakar*

3. Overall, it was a really good induction session.
4. In the interaction with the council we did not get so much information and now we all are confused that, which committee should we join. And other sessions we great especially the ved vedant.
5. I thoroughly enjoyed the induction session!
6. Introduction to committees was very brief
7. Guest lectures were excellent and I feel more such should be taken in Induction program.
8. Well planned and organized Induction event. Really enjoyed some of the Induction Sessions!
9. I feel adequate time hasn't been given for the 1st year students to attend events held by various committees and clubs for us to properly decide which ones we would like to join. It feels very rushed to me personally as interviews have also started without us attending even a single event of most committees. Other than that though the induction programme has been nothing but amazing 😊
10. Good but the academic session by Sutar Sir should be more explanatory
11. We got less time for choosing committee
12. The induction program is very helpful , friendly and motivating
13. Nice 🙏 induction program
14. overall it was a very helpful programme
15. Yoga Sessions And Learning From Mount Everest Was Very Energetic..
16. Could have been more interactive
17. Students involved session was incredible nice. Students council was very confusing means to which commity we should join I got some commity is same so it make me confusing I was not able to take decision.
18. Mam, I am really grateful to your hardwork and time devoted to us. Obligated to be a part of SPIT. Thankyou.
19. Please increase the interaction with all the student councils.
20. There is still confusion about which committee does what ....and the yoga session was too good ....
21. 1)should have some system for making connections among students [Like appointin' a particular senior with 5-6 students and making a bond between them for atleast 4

*Shrudhaya*

yrs] 2)some competition among students to improve there connections; 3)planing a days trip with students in start, so they get thereselves know 4)making connections between students of our college and students of colleague clleges like iits', nits, iiits, coep

22. The UHV and Bhavans philosphy sessions could be more interactive. Rest all was amazing. Thank you for organizing this for us.
23. The induction session was great.
24. please don't include pre recorded sessions .(yoga, UHV) . and the info regarding the committees was given in kind of a haphazard way i feel it could've been more organized . all the live sessions that took place were awesome ,
25. We didn't get to interact with the committed as much and know about them more. Otherwise the induction was great and everything was in an organized manner.
26. The week long Induction Program was a great way to welcome us to SPIT, specially during this pandemic time when everything is happening online. Thanks to Ananthalakshmi ma'am for smoothly conducting this Induction Program. It was great interacting with everyone.
27. It was inspiring and innovative
